Equal Opportunities Monitoring Form

The Public Sector Equality Duty does not expressly require the council to collect equality information. However, collecting, analysing and using the information helps us to see how our policies and activities are affecting various sections of our communities. In employment and service provision, it helps us to identify any existing inequalities and where new inequalities may be developing and take action to tackle them.

In addition to the nine "protected characteristics" (Age, Disability, Gender Reassignment, Marriage and Civil Partnership, Sex [formerly Gender], Race, Religion or Belief and Sexual Orientation) identified in the Equality Act 2010, we have added categories of Refugees and Asylum Seekers and Language in order to reflect the full diversity of Haringey.

We will be grateful if you could take a little time to complete and return this form. Please go through it and tick all the categories that most accurately describe you.
