Haringey LONDON

Wightman Road
Bridge closure work
Briefing update no. 9
20 May 2016

- Posters have been put up in Haringey and shared on social media encouraging residents and visitors to shop in businesses in the Wightman Road area

- An access map to the businesses, schools and places of worship in the Wightman Road area has been posted on social media to provide access guidance to residents and visitors.

- Repair works to the burst water mains on Stapleton Hall Road at the junction with Victoria Road are now complete and temporary traffic signals removed. This has eased congestion within the area.
