STATEMENT OF REASONS

The above Orders are considered necessary in order to bring the Council's on street parking permit and off street season ticket Traffic Orders in line with its policies in relation to the terms and conditions of use of such parking permits and season tickets.

It is intended these proposals will aid in preventing fraud and misuse of the Council's permits/season tickets.

The Orders are also considered necessary in order to implement the operation of a virtual permit/season ticket system thereby maximising the use of new technology and reducing the need for hard copy permits.
