

# **YOUR INVITATION TO THE LOCAL GOVERNMENT PENSION FUND ANNUAL GENERAL MEETING 2010**

## **An Affordable and Sustainable LGPS**

Is the present structure of the LGPS able to ensure it continues to be affordable, appropriate and responsive to the needs of its sponsors in the future. The question is particularly relevant at this time given the challenges of increasing longevity and a shift in the perception of the importance of pensions in the press and public.

**Date: 22nd July 2010**

**Time: Start time 5:30pm Sandwich Buffet from 5:00pm**

**Venue: Council Chamber Civic Centre Wood Green N22 8LE**

Pension Officers will be in attendance from 4:00 and for half an hour after the meeting ends to deal with LGPS pension queries that you may have.

There will also be a representative from Clerical Medical and Prudential to provide information about AVC payments. The DWP will also be present to assist with any questions about State Scheme Benefits.
