Statutory Consultation

Aylmer Road: Proposed one-way traffic along the service road in front of Aylmer Court N2

Dear Resident,

We would like to hear your views on our proposal to introduce one-way traffic operation on the service/slip road running along the front of 1 – 30 Aylmer Court, Aylmer Road N2, as shown in the plan overleaf.

Aylmer Road is a Red Route managed by Transport for London (TfL), and the proposed one-way scheme is designed to ease traffic flow at the junction of the service road and Aylmer Road.

Residents have for some time expressed concern at potential safety risks caused when vehicles attempting to turn off Aylmer Road into the narrow service road meet other vehicles trying to turn on to Aylmer Road. The resultant congestion leads to tailbacks during peak periods, which in turn restricts traffic flow in Aylmer Road. The current layout of the junction also makes it very difficult for larger vehicles to turn into the service road.

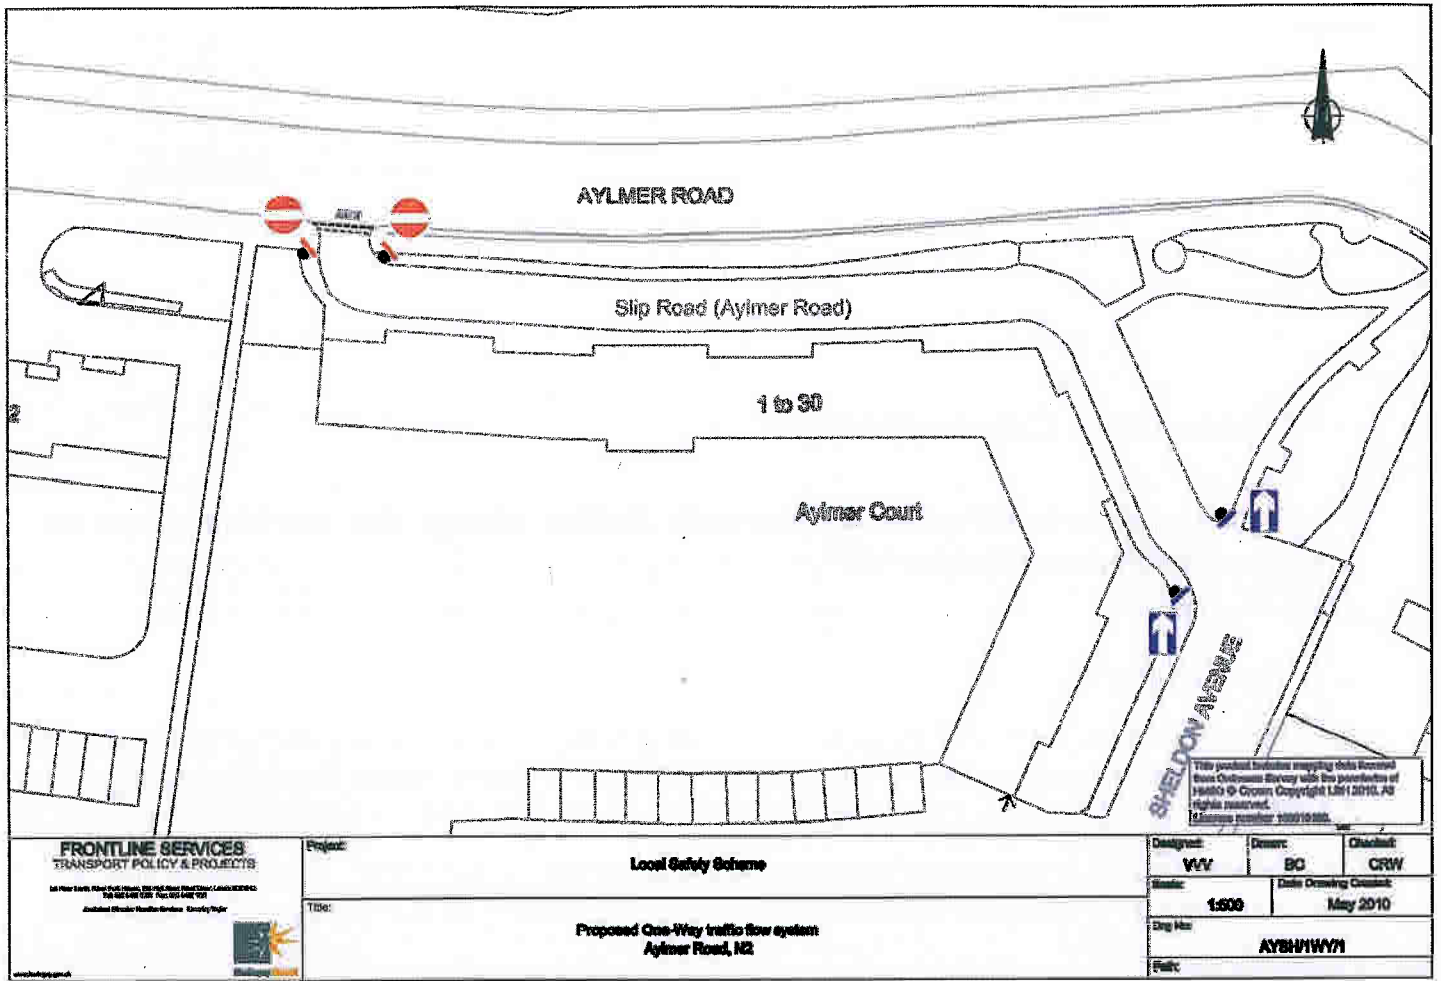

The statutory consultation will involve placing notices in the local press and in the service road. All residents of Aylmer Court will receive a hand-delivered copy of this letter inviting views and comments.

The consultation period will run for three weeks from 8 July - 29 July. The closing date for comments is 29 July 2010. All who are interested in the proposal including residents and road users are invited to comment either by email to: frontline.consultation@haringey.gov.uk or by telephoning the project engineer Vincent Adenowo on 020 8489 5143. Alternatively you can write to him at the address above.

Yours faithfully

Joan Hancox
Head of Sustainable Transport
