

DESIGN CONCEPT

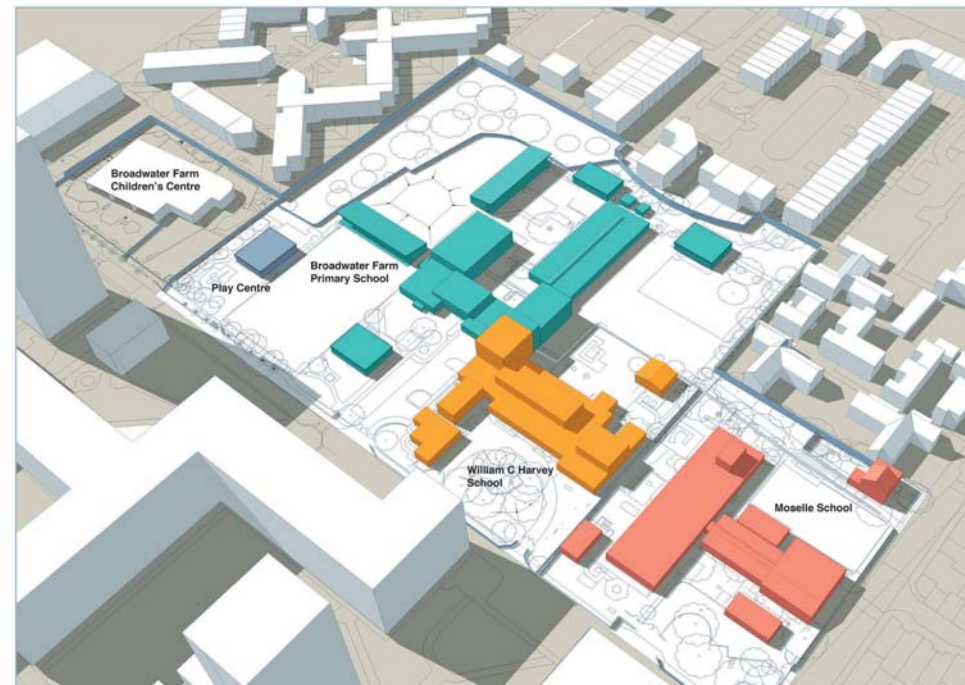

- Principal public face towards Adams Road and generous main entrance for pupils and visitors.
- Positive engagement of campus with estate
- Administration, therapy and staff accommodation located adjacent to the main entrance lobby
- Simple organisation with larger spaces visible and easily accessible, positioned centrally between age based teaching wings
- Building set back with mini-bus drop-off/pick up area
- Mainstream and special needs classbases in close proximity.
- ASD teaching areas able to be discreetly zoned
- New building reduces footprint increases external play space
- Secure play and open spaces to the rear of the school allow a sheltered safe environment for pupils.
- Form allows construction in phases
- Existing schools can remain in use.
- Arrangement allows expansion
