

Location Plan showing relationship of Lordship Recreation Ground to Broadwater Farm Inclusive Learning Campus

- KEY**
- Existing trees
  - Proposed trees
  - Shrubs
  - Proposed paving type A 'Kellen' concrete pavers
  - Proposed paving type B 'Kellen' concrete pavers
  - Proposed paving type C Tar spray and chip surface on bitmac base
  - Proposed paving type D Concrete with color/texture treatment
  - Proposed paving type E Bitmac with line markings
  - Rubber crumb play surface
  - Pond
  - Boardwalk Dipping Deck
  - Grass
  - Grasscrete
  - Sand pit
  - MUGA
  - Cover to staff area
  - Trim trail activities
  - Main Pedestrian Entrance
  - Secondary Pedestrian Entrance
  - Vehicular Circulation
  - Recycling Lorry Circulation
  - Emergency Vehicle Circulation

- Legend**
- 1. Arrivals Area
  - 2. Staff Area
  - 3. Shared Play
  - 4. External Teaching Space
  - 5. KS1 Play
  - 6. Horticulture Area
  - 7. Central Pond and Landform
  - 8. Community Space
  - 9. Sensory Gardens
  - 10. Amphitheatre
  - 11. KS2 Play
  - 12. MUGA and Additional Hard Play
  - 13. Informal Soft Play
  - 14. Staff and Visitor Parking, Deliveries and Recycling

Perspective View of Central School Area showing the Amphitheatre in the foreground set against the Sensory Gardens which wrap around the Community Space

Perspective View of Central Pond, Dipping Deck and Soft Landform

Inspiration for Soft Landform drawn from Maya Lin's 'Wavefield' in New York State

Learning about Ecology on the Dipping Deck

Inspiration for Community Space drawn from Buga Playground in Munich
