## Works Notice

### Buckingham Road N22: Bus Stop Build-out & Footway Improvements

Dear Resident or Trader,

I am pleased to inform you that the Council has secured funding as part of 'Building Schools for the Future' project, to improve safety and accessibility in the vicinity of Heartlands School.

As a result of the recent school expansion and due to the likely increased bus patronage we will be widening the footway at the bus stop.

This work is expected to start on 10 October and will take approximately two weeks to complete. The work will consist of:

- Providing a bus stop build-out which will widen the footway at the bus stop and amending the existing bus stop clearway accordingly
- Providing red antiskid surfacing within the amended bus stop clearway cage.
- Repaving the footway in the vicinity of the bus stop.
- Relocating the bus shelter to the back of the footpath to allow more available footpath width and thus improving accessibility.

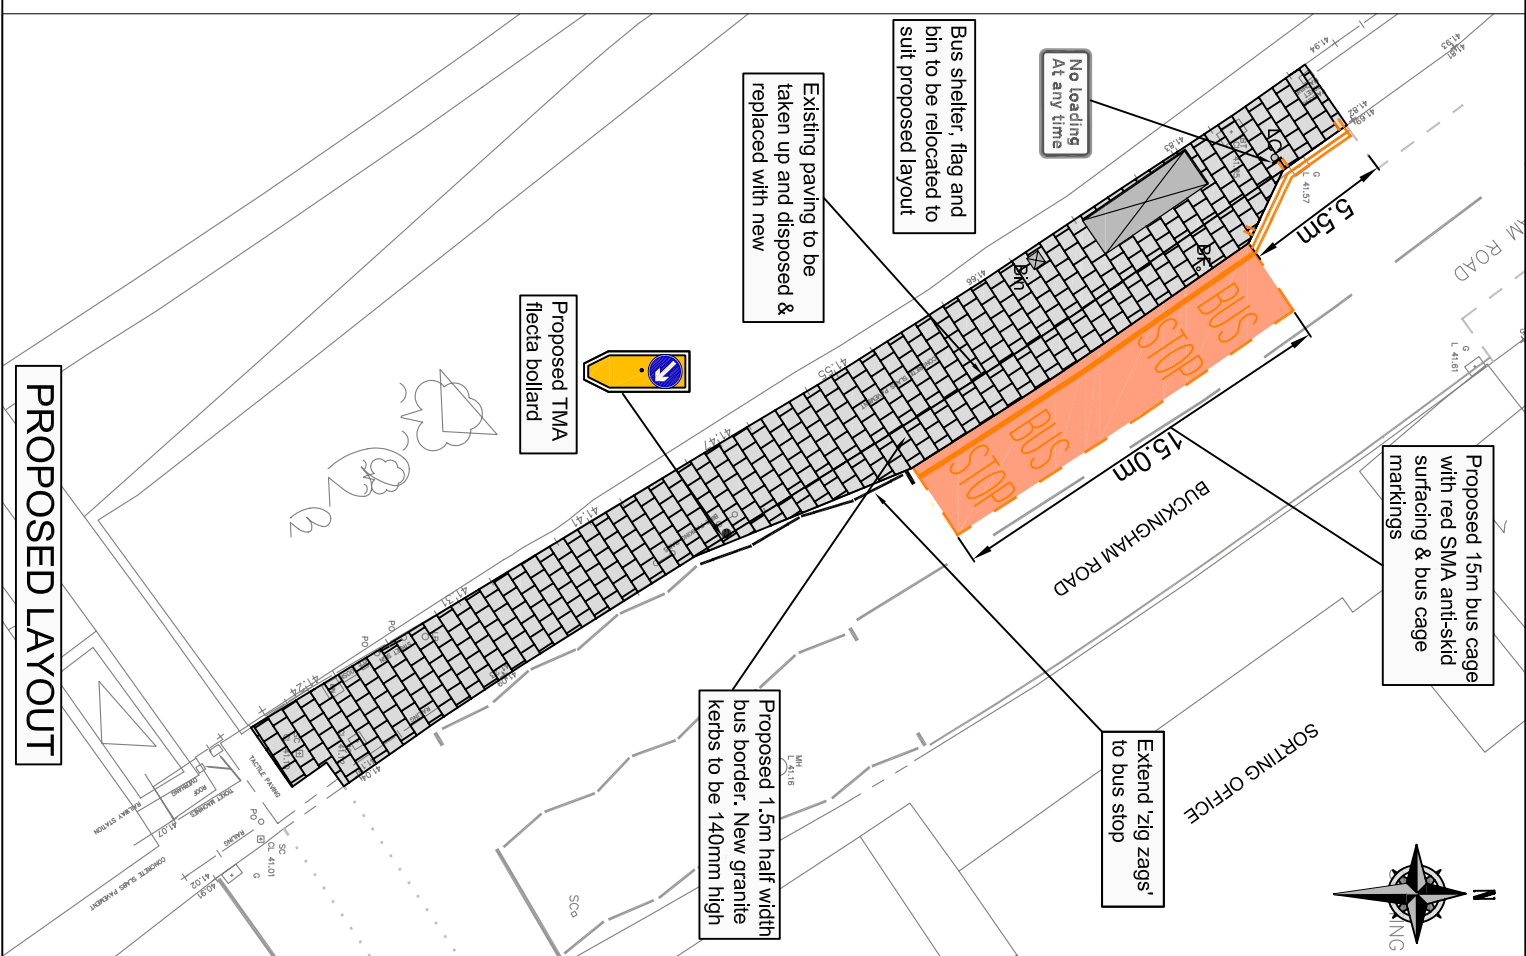

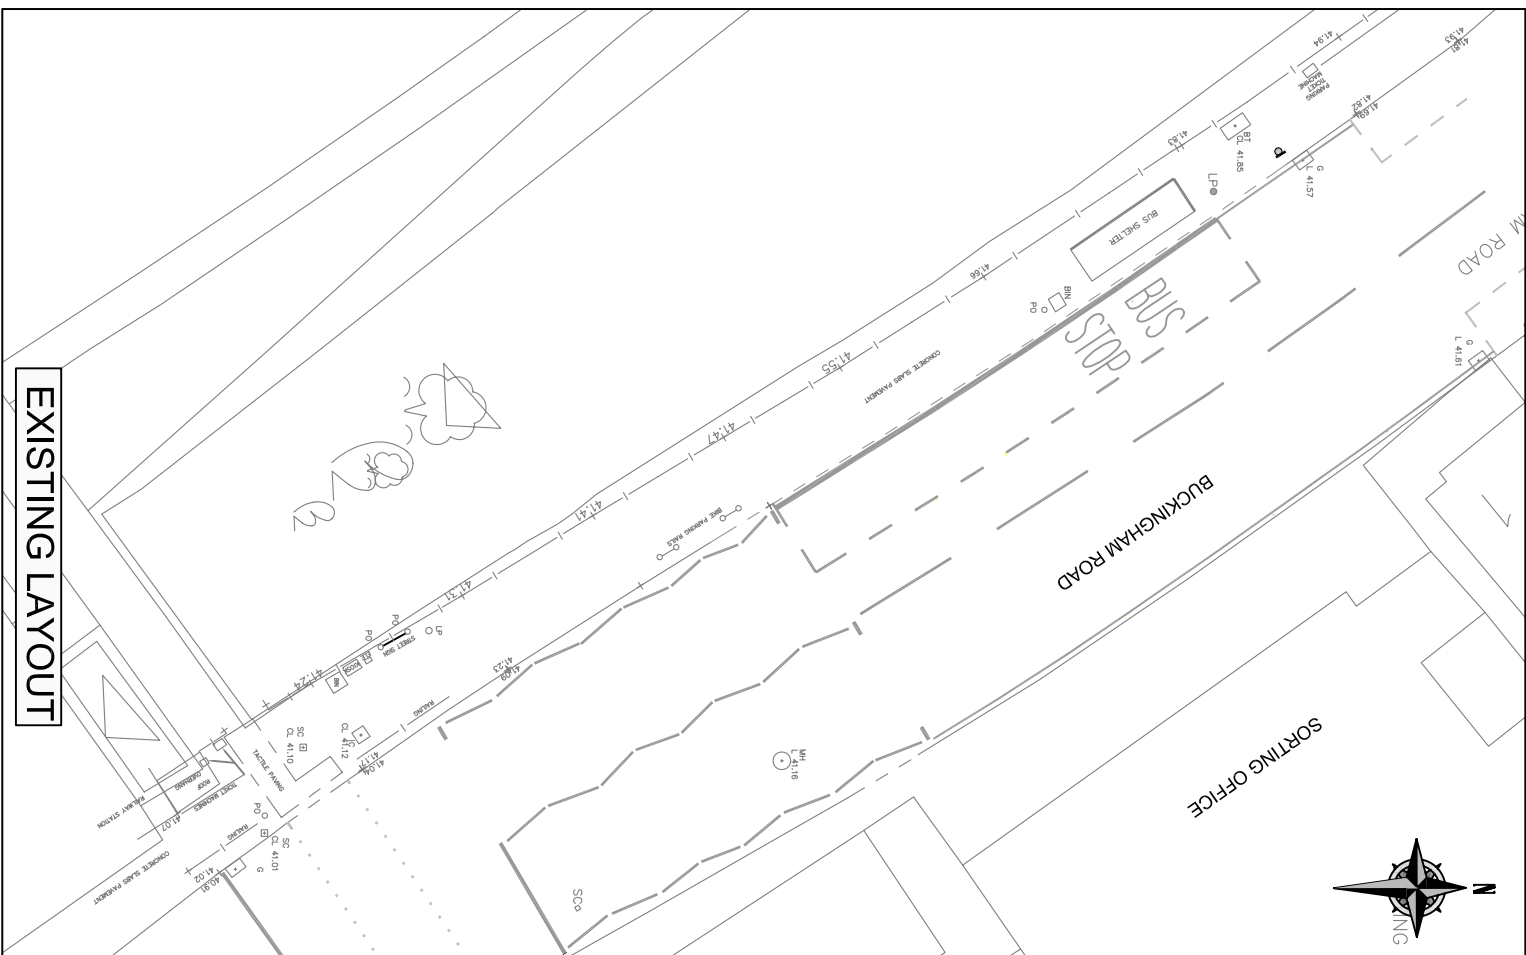

## 2. Statutory Notification of Proposed Waiting Restrictions

In addition to the footway work, the council proposes to introduce double yellow lines (no Waiting or loading at any time – 24 hours a day) at the location indicated on the attached plan overleaf. This will ensure the area is kept clear of parked vehicles and good visibility is maintained. The zigzags will also be lengthened as indicated on the attached plan overleaf.

This notification marks the start of a three week period during which we welcome any views, comments or 'representations' you may have. If you have any queries you can contact us by email at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk) or telephone the Project Engineer Paul Miles on 020 8489 1717. Please ensure that we receive your views no later than 20 October, so that we can consider any comments before taking a decision. If no significant objections to the double yellow lines are received, the waiting restrictions are likely to take effect on 27 October; or shortly thereafter. The Project Engineer will be pleased to answer any queries you may have on either the Footway build-out works or the double yellow line restrictions.

Yours faithfully,

**Joan Hancox**  
Head of Sustainable Transport
