Statutory Notification

Downhills Park Road Area – Proposed 20mph Zone

Dear Resident or Trader

In line with our commitment to listen to local community concerns in the Downhills Park Road Area, an area wide 20mph speed restriction is being proposed to be enforced using physical traffic calming measures. The aim of the scheme is to discourage traffic in residential roads and improve the local environment whilst encouraging walking and cycling.

These proposals along with the CPZ extension and hail and ride bus service, are developed and co-ordinated to ensure that current traffic related issues in the area are addressed as a package. This document presents our scheme proposals and invites your comments and representations

Our Proposals

We have received correspondence from residents on a variety of traffic issues such as high volume of through traffic, poor road safety and excessive speeding in the area.

It is important that any proposed improvement scheme for the area addresses these issues. This leaflet outlines our proposals and includes a plan of the area showing the location of the proposed traffic calming measures. The measures proposed are:

- One-way working and closure of Keston Road to reduce through traffic

Continued overleaf...

- Anti-skid carriageway surfacing to improve vehicular skid resistance on approach to zebra crossing and enhance visibility of calming measures

- Proposed pattern imprint on carriageway surface to produce rumble effect when vehicles pass over these to alert drivers of calmed area

- An area-wide 20mph speed restriction zone to reduce vehicle speeds and improve safety

- Raised zebra crossing facility on Downhills Park Road at its junction with Keston Road for safer pedestrian road crossings

- Vehicular activated signs in areas that receive excessive vehicle speeds to help enhance speed reduction

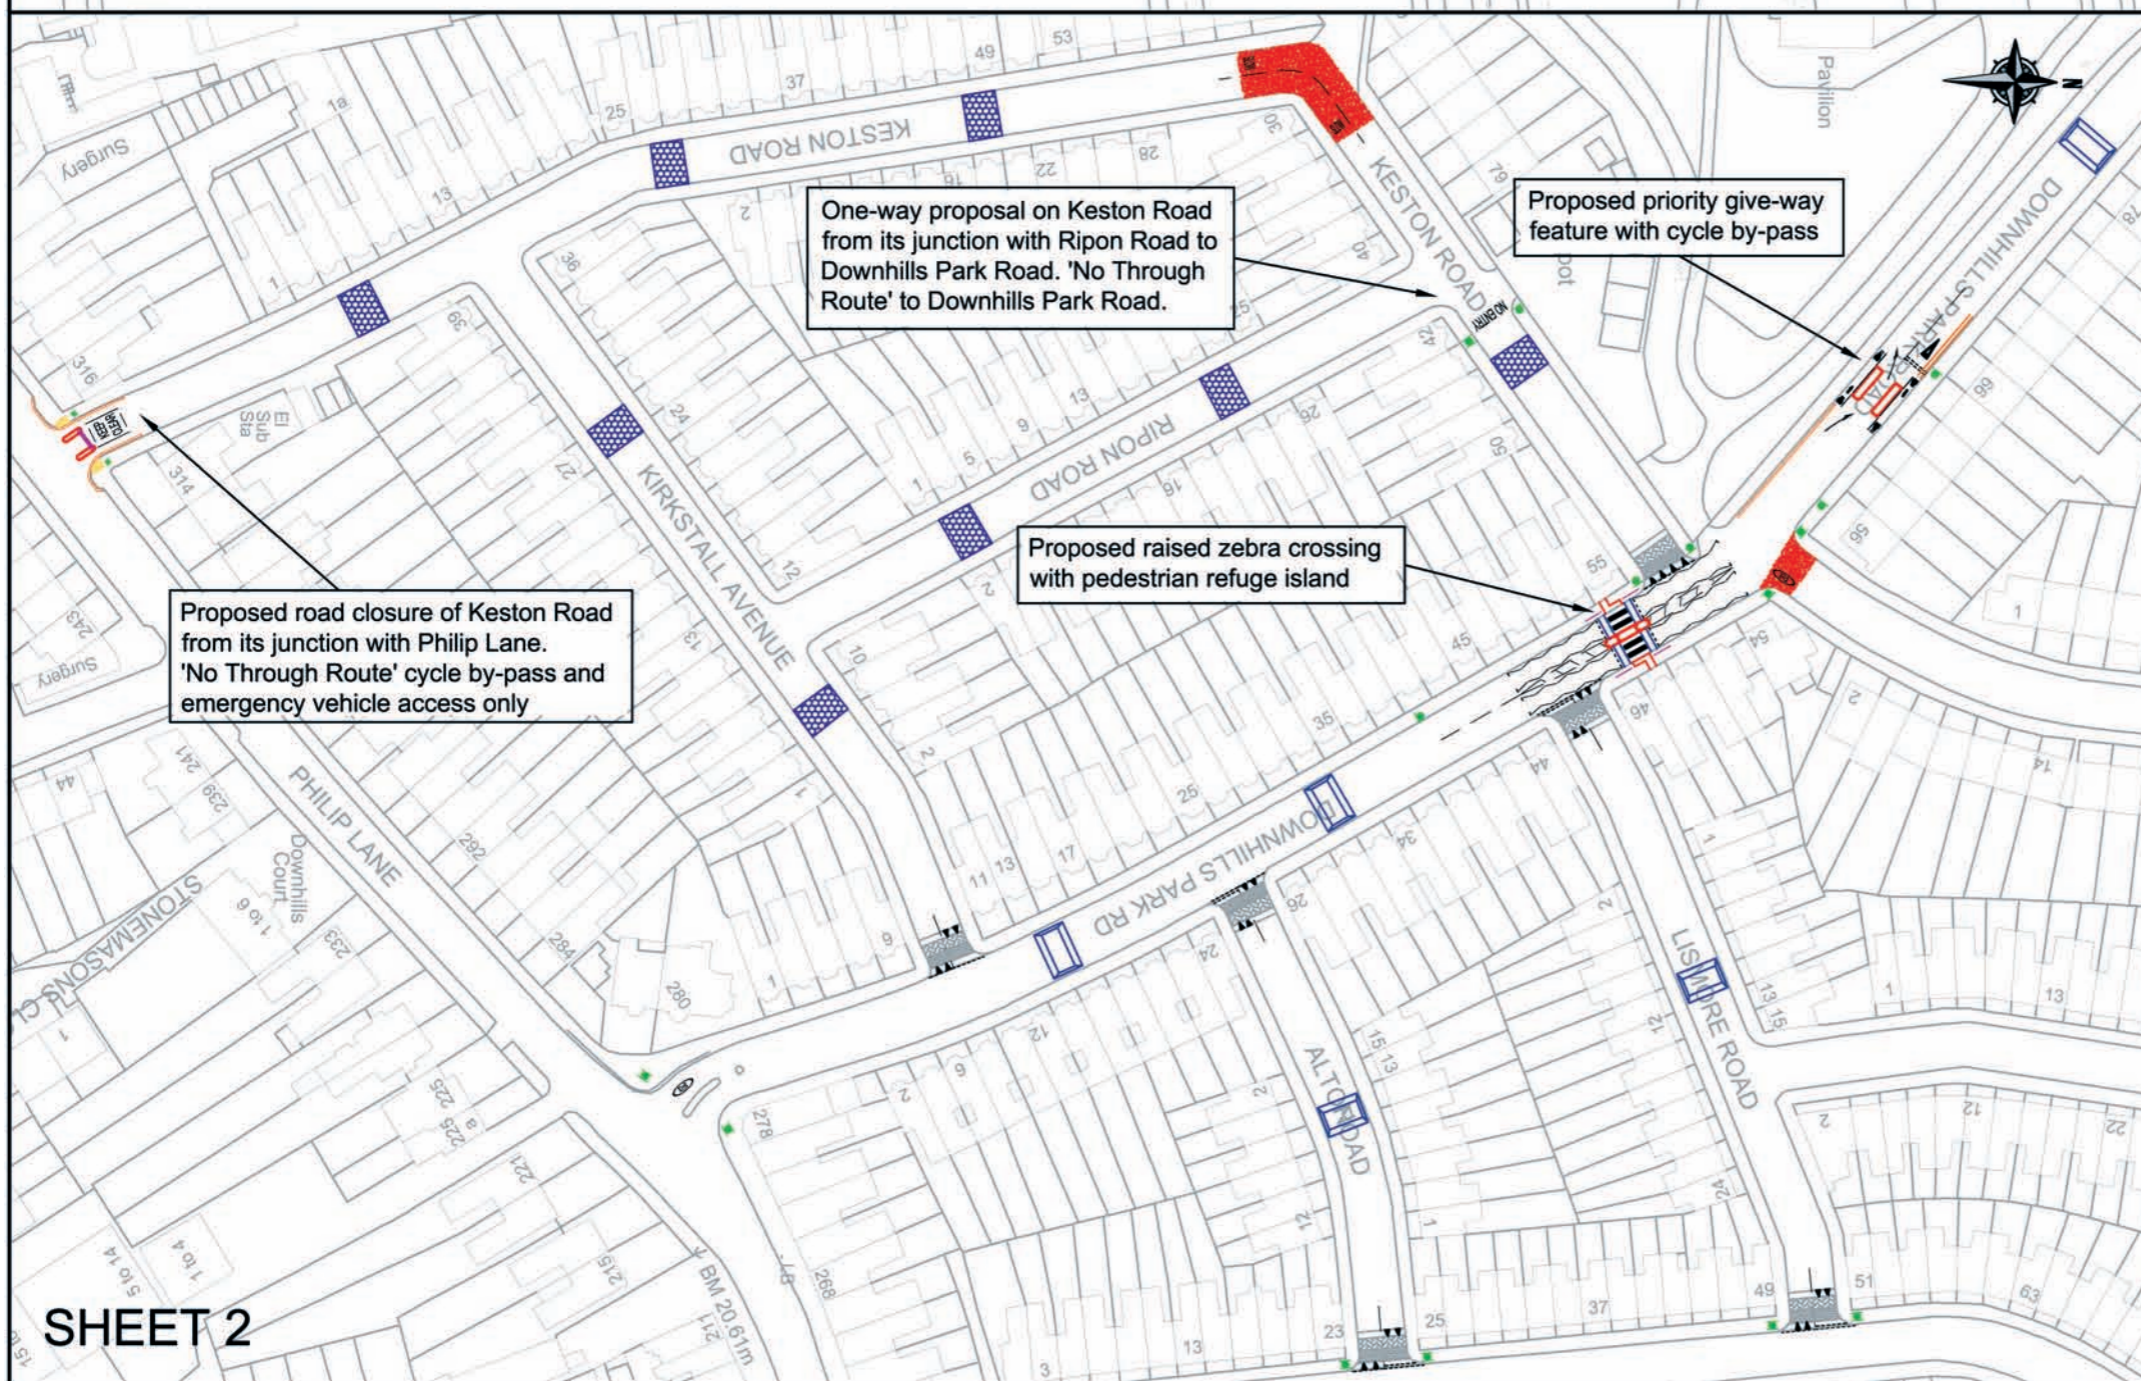

- Double yellow lines at junctions to improve sight lines for both pedestrians and vehicles

SHEET 2

Downhills Park Road Traffic Calming Scheme

Legend

-  Proposed Flat Topped Hump
-  Proposed Entry Treatment
-  Proposed Speed Cushions
-  Proposed Double Yellow Lines
-  Proposed Red Surfacing
-  Proposed Splitter Island
-  Proposed Post and Sign
-  Proposed Pedestrian Guardrail
-  Proposed Tactile Paving
-  Proposed Pattern Imprint

- Flat topped speed humps to reduce vehicle speeds

- Priority give-way features on Downhills Park Road to reduce vehicle speeds on approach to zebra crossings

- Raised entry treatments at junctions to reduce vehicle entry and exit speeds and improve pedestrian crossing facilities

Have your say

Before we can implement these improvements in your area, we are required to enter into a stage of consultation known as statutory consultation. This is the legal part of the process and takes the form of a public notice advertised in the local press, London Gazette and visible locations within the area to inform of the council's intentions.

The legal notice sets out the council's intention to restrict vehicle speeds to 20mph through your area with physical restrictions to assist including the closure of Keston Road at its junction with Philip Lane. This notice will be advertised on **10 December 2009** and provides a 35-day consultation period for interested parties to make representation regarding our proposals. The closing date for comments is the **14 January 2010**.

If you would like to comment on or object to these proposals please make them in writing no later than **14 January 2010**.

You can write to:

**Haringey Council
Transport Policy and Projects
River Park House, 1st Floor South
225 High Road
Wood Green
London N22 8HQ**

Alternatively, you can email us at frontline.consultation@haringey.gov.uk

If you have any questions on the scheme please contact the Project Engineer:
Christian O'Keefe on 020 8489 3996.

What Happens Next?

Your feedback will help inform us whether residents and traders are in favour of our proposals. Any comments or objections from your area will be considered. We will let residents and traders know the way forward following analysis of the feedback received during the consultation.

Thank you for taking time to read this letter.

Yours faithfully,

Joan Hancox
Head of Sustainable Transport
