

## **DRAFT OPEN SPACE AND RECREATION STANDARDS – SUPPLEMENTARY PLANNING DOCUMENT [SPD] AND SUSTAINABILITY APPRAISAL NOTICE OF PUBLIC CONSULTATION**

Haringey Council has published for consultation its Draft Open Space and Recreation Standards SPD and sustainability appraisal. The draft SPD is not a development proposal, but a planning policy document which sets out guidelines for proposed local standards to assess open space and sports requirements arising from new development, and supports the policies in the UDP to protect and promote open space and sports provision in the borough. Once agreed, the draft will be adopted by the Council as a Supplementary Planning Document [SPD] and used to assess any future planning applications where there are open space or recreation implications.

A sustainability appraisal has also been prepared to accompany the draft SPD, which seeks to ensure it accords with the principles and guidance on sustainability.

The public consultation will run from 29th November 2007 until 17th January 2008. Copies of the draft SPD and sustainability appraisal will be available for inspection at Haringey Council's offices, 639 High Road Tottenham, N17 8BD between the hours of 9am - 5pm, Monday to Friday and at Marcus Garvey, St. Ann's and Wood Green Central libraries between the hours of 9am - 7pm, Monday to Friday, 9am - 5pm on Saturday and 12am - 4pm on Sunday [not St. Ann's]. Alternatively, you can view the documents on-line at [www.haringey.gov.uk](http://www.haringey.gov.uk) [Local Development Framework].
