Dear Resident or Trader,

### STATUTORY CONSULTATION

#### Green Lanes Controlled Parking Zone (CPZ) – Review (Existing)

During October and November 2006 the Council carried out a review of the Green Lanes CPZ. We invited residents and traders of the zone to give their views on the operation of the scheme. I would like to thank everyone who gave us their feedback on how the CPZ operates.

#### What did you tell us?

As you may be aware, the Green Lanes CPZ has two different zones, therefore we have considered responses from each zone separately.

We have received the following feedback:

#### Green Lanes – Zone A currently operates (Monday to Sunday 8am to 10pm)

- The majority were either very or fairly satisfied with the CPZ as it currently operates, with respondents favouring changes to the existing operating days.
- The majority wanted a reduction in days, with the majority of respondents wanting the CPZ to operate at least 6 days a week.
- The majority were in favour of a reduction in operating hours, with the largest single response favouring 8am - 6.30pm.

#### Green Lanes – Zone B currently operates (Monday to Saturday 8am to 6.30pm)

- The majority were either very or fairly satisfied with the CPZ overall as it currently operates.
- The majority of respondents wanted a reduction in days with the largest single response wanting the CPZ to operate Monday to Friday.
- The largest single response was for the existing hours of operation to be maintained as 8am - 6.30pm.

The full breakdown of the responses received to the Green Lanes CPZ review, please visit our website: [www.haringey.gov.uk/recent\\_parking\\_consultations.htm](http://www.haringey.gov.uk/recent_parking_consultations.htm)

## Our Proposals

Having considered your feedback, we are proposing some changes to the current operating days and hours of the Green Lanes CPZ as follows:

### Green Lanes – Zone A (Monday to Saturday 8am - 6.30pm)

### Green Lanes – Zone B (Monday to Friday 8am - 6.30pm)

We will also take this opportunity to modify some of the existing bays. The changes will include, converting some of the existing free bays to Residents or Pay and Display bays. These changes were identified through the Review process and additional feedback.

## Charges

The charging structure for CPZ parking permits was recently reviewed and will be based on the CO<sub>2</sub> emissions from your vehicle (or the engine size of your vehicle if registered before 23 March 2001). You can find more information at [www.haringey.gov.uk/parking\\_charge\\_review](http://www.haringey.gov.uk/parking_charge_review)

These changes in parking charges are anticipated to commence from 1 July 2007.

The charges are as follows

Band	First permit [Annual]	Second and subsequent permit per household
1 (up to 100 CO <sub>2</sub> g/km)	£15	£15
2 (101-150 CO <sub>2</sub> g/km)	£30	£60
3 (151-185 CO <sub>2</sub> g/km)	£60	£100
4 (186 CO <sub>2</sub> g/km and over)	£90	£150

Engine size	First permit (Annual)	Second and subsequent permit per household
1549cc or less	£30	£60
1550cc to 3000cc inclusive	£60	£100
3001cc and above	£90	£150

## Next steps

To enable any parking controls to be legally enforceable the council is required to enter into a further stage of consultation known as Statutory Consultation. This is the legal part of the process and takes the form of a public notice advertised in the local press, London Gazette and visible locations within the area to inform of the council's intentions.

The notice will be advertised on 7 June 2007 and provides a 21-day consultation period for interested parties to make representation regarding the council's intentions to implement parking controls. You should note that Statutory Consultation differs from informal consultation in that any interested party can make representations, rather than restricting the consultation to a specified area. Responses are also analysed according to the comments made, rather than based on "Yes/No" responses.
