### Haringey Sexual Health Strategy Action Plan (2005-2007)

<b>STRATEGIC OBJECTIVE 1: DEVELOPING THE LOCAL SEXUAL HEALTH INFRASTRUCTURE</b>					
Local Action	Tasks	Accountable Lead	Timescale	Resources	Progress
1. Improving Co-ordination	a. Clarify role and membership of Sexual Health Partnership Board to ensure appropriate membership for development of Sexual Health Network.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	b. Ensure Strategic representation on the Sexual Health Partnership Board from Primary Care, Local Authority, non-NHS Providers and the voluntary sector.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	c. Development of permanent borough based sub-groups to the Partnership Board: Clinical Services, Sexual Health Promotion & HIV Prevention, Teenage Pregnancy Partnership Board and HIV Workers Forum. The Chair of each sub-group to sit on the Partnership Board.  Teenage Pregnancy Partnership Board to continue reporting to the Children and Young People's Partnership Board.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	d. Development of ad-hoc working groups according to identified need.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	e. Clarify roles and accountability of sub and ad-hoc groups to the Sexual Health Partnership Board.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	f. Disaggregate the Sexual Health Co-ordinator role from Enfield.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	g. Clarify the role of the Haringey Sexual Health Manager post.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	h. Clarify role and membership of Sexual Health Partnership Board to ensure appropriate membership for development of Sexual Health Network.	<b>Chair of Partnership Board</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
2. Improving accountability	a. Confirm reporting arrangements of the Sexual Health Partnership Board to the Healthier Communities theme group of the Well-being Partnership.	<b>Director of Public Health</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
3. Improving Commissioning	a. Identify a sexual health commissioning lead for Haringey for HIV, GUM, Family Planning, Termination of Pregnancy, sexual health promotion and HIV social care.	<b>Director of Public Health</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	b. Actively review the sexual health commissioning roles in light of practice based commissioning and payment by results.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> Feb 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	c. Develop systems for integrated commissioning between HIV, GUM, Family Planning, Termination of Pregnancy, sexual health promotion and HIV social care.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> Feb 2006	£0	
	d. Ensure that these commissioning processes are open and transparent and clearly communicated to all stakeholders to ensure their involvement.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> Feb 2006	£0	
	e. Develop, jointly with the Local Authority, a borough-based commissioning network that commissions across 3 levels: borough, sector, and region.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> Feb 2006	£0	
<b>STRATEGIC OBJECTIVE 2: DEVELOPING THE LOCAL SEXUAL HEALTH NETWORK</b>					
1. Agreeing the Sexual Health Network Model	a. Confirmation of the Sexual Health Partnership Board as the lead for developing the Network.	<b>Director of Public Health</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£0	
	b. Identify a Network Co-ordinator to oversee the process of developing the Network.	<b>Director of Public Health</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> Dec 2005	£ may require redistribution of funding	
	c. Develop bilateral strategic planning between Primary Care and component sexual health services (HIV, GUM, Family Planning & HIV Social Care).	<b>Sexual Health Manager</b> (Patrick Dollard)	<b>Short term objective</b> April 2006	£0	
	d. Agree the components of each of the 3 levels of service provision across the Network.	<b>Sexual Health Partnership Board</b>	<b>Short term objective</b> April 2006	£0	
	e. Agree the service providers and/or sites for each of the 3.	<b>Sexual Health Partnership Board</b>	<b>Short term objective</b> April 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	f. Agree the capacity and financial resources of the Sexual Health Network.	<b>Sexual Health Partnership Board</b>	<b>Short term objective</b> April 2006	£0	
	g. Produce an action plan to facilitate phased implementation of the 3 levels of service.	<b>Sexual Health Partnership Board</b>	<b>Short term objective</b> April 2006	£0	
	h. Organise a network wide consultation event on proposed model, levels of provision and phased implementation.	<b>Sexual Health Manager</b> (Patrick Dollard)	<b>Short term objective</b> Feb 2006	£2k	
2. Management of the Sexual Health Network	a. Agree clinical governance processes across the 3 levels of service within the Network	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> April 2006	£0	
	b. Define scope and responsibilities of the lead GUM, HIV and family Planning clinicians in the clinical governance processes.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> April 2006	Resource implications for GUM, HIV and FP Consultants	
	c. Develop clear contractual frameworks for each provider within the Network.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term objective</b> April 2006	£0	
	d. Develop integrated care pathways for HIV, GUM, Family Planning and Termination of Pregnancy Services and across the 3 Network levels.	<b>Sexual Health Commissioner</b> (to be identified) & <b>GUM, HIV &amp; FP Consultants</b> (Dr Nageswaran, Dr Ainsworth and Dr Christopher)	<b>Short term objective</b> April 2006	£0	
	e. Establish quality standards for GUM, HIV, Family Planning and Termination of Pregnancy across the Network to support monitoring and review.	<b>Sexual Health Commissioner</b> (to be identified) & <b>GUM, HIV &amp; FP Consultants</b> (Dr Nageswaran, Dr Ainsworth and Dr Christopher)	<b>Short term objective</b> April 2006	£0	

<b>Local Action</b>	<b>Tasks</b>	<b>Accountable lead</b>	<b>Timescale</b>	<b>Resources</b>	<b>Progress</b>
3. Supporting the Sexual Health Network	a. Undertake GUM, HIV and Family Planning needs assessment exercises in relation to, and as applied to, the Sexual Health Network.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> Dec 2006	£0 or funding required if commissioned externally	
	b. Develop standardised data collection, monitoring and reviewing and reporting processes across all Network providers.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> Dec 2006	£0	
	c. Set up communication systems to facilitate the sharing of information across the Network e.g. through emails, website, Network newsletter.	<b>Sexual Health Manager</b> (Patrick Dollard)	<b>Short term objective</b> April 2006	£0 if in house	
	d. Undertake training needs analysis in relation to the Network model.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> Sept 2006	£0 or funding required if commissioned externally	
	e. Develop a training and education needs strategy to underpin the service model.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> Dec 2006	£0	
4. Monitoring and Review of the Network	a. All providers within the Network to submit an annual service report for review and dissemination by Sexual Health Network.	<b>GUM, HIV &amp; FP Consultants</b> (Dr Nageswaran, Dr Ainsworth and Dr Christopher)	<b>Short term objective</b> April 2006	£0	
	b. Undertake an assessment of operational effectiveness of the Network.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> April 2007	£0 if in house of funding required if commissioned externally	
	c. Undertake annual assessment of Network performance against key local and national targets and standards (i.e. MEDfash & London-wide Sexual Health Framework).	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term objective</b> April 2007	£0 if in house of funding required if commissioned externally	
	d. Facilitate the completion of annual AIDS Control Act Return.	<b>Director of Public Health</b> (Dr Ann Marie Connolly)	<b>Short term objective</b> April 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
--------------	-------	------------------	-----------	-----------	----------

### STRATEGIC OBJECTIVE 3: DEVELOPING BETTER SERVICES

1. National and Local Targets	a. Agree a process for the implementation and monitoring of the MEDfash and London-wide Sexual Health Framework Standards across the Sexual Health Network.	<b>Sexual Health Partnership Board</b>	<b>Short term Objective</b> April 2006	£0	
	b. Agree any additional local targets within the Sexual Health Network.	<b>Sexual Health Partnership Board</b>	<b>Short term Objective</b> April 2006	£0	
2. Improve access to sexual health services by those known to experience greater sexual health needs i.e. young people, gay men & MSM, BME groups particularly those from Black Caribbean and Black African Communities, refugees & asylum seekers and others living in areas of social & economic deprivation.	a. Review the accessibility and appropriateness of services for key target populations and identify how service barriers might be re-dressed within the Network. <ul style="list-style-type: none"> <li>• Young People</li> <li>• Gay &amp; Bisexual Men and MSM</li> <li>• Sex Workers</li> <li>• BME groups</li> <li>• Refugees and Asylum Seekers</li> <li>• Those living in areas of social and economic disadvantage.</li> </ul>	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term Objective</b> Dec 2006	£0 if in-house or funding needed if commission externally	
	b. Develop a programme of education to ensure all providers of sexual health services are trained and supported so they can deliver respectful non-discriminatory care regardless of setting.	<b>Health Improvement</b> (to be identified)	<b>Medium term Objective</b> Dec 2006	Funding will be required to deliver training programme or buy in trainers	
	c. Develop work with local service users (e.g. client audits) and organisations (e.g. PALs and PPI forums) to maximise service uptake.	<b>Sexual Health Commissioner</b> (to be identified) & <b>All Sexual Health Network Providers</b>	<b>Medium term Objective</b> Dec 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	d. Develop networks with others inside and outside the NHS who service hard to reach populations, particularly community and voluntary groups.	<b>Sexual Health Commissioner</b> (to be identified) & <b>All Sexual Health Network Providers</b>	<b>Medium term Objective</b> Dec 2006	£0	
3. Improving GUM services	a. Address increase in service demand through the development of the Sexual Health Network (see Strategic Objective 2.)	<b>Sexual Health Partnership Board</b>	<b>Short term Objective</b> (April 2006)	£0	
	b. To take the lead for co-ordinating and extending HIV testing provision across the Sexual Health Network: <ul style="list-style-type: none"> <li>GUM service as HIV testing Co-ordinator;</li> <li>Extension of HIV testing sites within NHS (Ante-natal, TB clinics and Primary Care) and community settings; <ul style="list-style-type: none"> <li>Extension of same day testing</li> <li>Development of rapid testing;</li> </ul> </li> </ul> and targeting particular at risk groups; <ul style="list-style-type: none"> <li>Gay and Bisexual Men;</li> <li>African Communities;</li> <li>Refugees and Asylum Seekers</li> </ul>	<b>GUM Consultant</b> (Dr Nageswaran)	<b>Medium term Objective</b> Jan 2007	£ funding required	
	c. Develop a consultation paper and plan which explores the possible integration of Family Planning and Genito-Urinary Medicine (GUM) services.	<b>GUM Consultant</b> (Dr Nageswaran)& <b>FP Consultant</b> (Dr Christopher)	<b>Medium term Objective</b> Dec 2006	£ funding required	
	d. Ensure adherence to MEDfash and London-Wide Sexual Health Framework Standards	<b>GUM Consultant</b> (Dr Nageswaran)	<b>Short and Long term Objectives</b> (2006-2008)	£Unknown	

<b>Local Action</b>	<b>Tasks</b>	<b>Accountable lead</b>	<b>Timescale</b>	<b>Resources</b>	<b>Progress</b>
4. Improving HIV services	a. Address increase in service demand through development of the Sexual Health Network (see Strategic Objective 2.)	<b>Sexual Health Partnership Board</b>	<b>Short term Objective</b> (April 2006)	£0	
	b. Ensure adherence to MEDfash and London-Wide Sexual Health Framework Standards.	<b>Lead HIV Consultant</b> (Dr Ainsworth)	<b>Medium term Objective</b> Dec 2006	£0	
	c. Carry out a survey to seek the views and experiences of people that have used HIV treatment and care services provided by TI and St Ann's.	<b>HIV Consultant</b> (Dr Wood)	<b>Medium term Objective</b> Dec 2006	£ funding required	
	d. Develop a Chronic Disease Management Plan for HIV treatment and care.	<b>Sexual Health Commissioner</b> (to be identified) & <b>Lead HIV Consultant</b> (Dr Ainsworth)	<b>Medium term Objective</b> Dec 2006	£0	
	e. Improve strategic coordination and develop clear care pathways between HIV clinical services and social care.	<b>Lead HIV Consultant</b> (Dr Ainsworth) & <b>Commissioning Manager, LBH</b> (Bernard Lanigan)	<b>Medium term Objective</b> Dec 2006	£0	
	f. Sexual Health Network Co-ordinator to develop links with the Mental Health Strategy Co-ordinator to improve care pathways between HIV clinical services and mental health services.	<b>Sexual Health Network Co-ordinator</b> (to be identified), <b>Lead HIV Consultant</b> (Dr Ainsworth) & <b>BEH Mental Health Trust</b> (Siobhan Harper)	<b>Medium term Objective</b> Dec 2006	£0	
	g. Improve co-ordination between HIV and TB services for speedier testing, diagnosis and referral to care.	<b>Lead HIV Consultant</b> (Dr Ainsworth) & <b>TB Clinical Lead</b> (Dr Achim Schwenk)	<b>Medium term Objective</b> Dec 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	<p>h. Improve HIV ante-natal services:</p> <ul style="list-style-type: none"> <li>Review configuration of current ante-natal counselling at North Middlesex Hospital.</li> <li>Develop community testing and support services for Black Caribbean communities.</li> </ul>	<b>Lead HIV Consultant</b> (Dr Ainsworth)	<b>Short term Objective</b> April 2006	£ funding required	
	i. Develop a training programme for key health service providers to increase awareness of HIV infection, routes of transmission and affected populations to facilitate earlier opportunistic diagnosis.	<b>Lead HIV Consultant</b> (Dr Ainsworth)	<b>Short term Objective</b> April 2006	£ funding required	
5. Improving contraceptive services	a. Address increase in service demand through development of the Sexual Health Network (see Strategic Objective 2.)	<b>Sexual Health Partnership Board</b>	Short term Objective (April 2006)	£0	
	b. Undertake a review of the family planning service in the community settings in order to highlight core difficulties and identify possible solutions.	<b>Service Manager</b> (Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£ funding required	
	c. Ensure adherence to the MEDfash Standards.	<b>FP Consultant</b> (Dr Christopher)	<b>Medium term Objective</b> Dec 2006	£0	
	d. Develop a consultation paper and plan which explores the potential integration of Family Planning and Genito-Urinary Medicine (GUM) services.	<b>FP, GUM Consultant and Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Dec 2006	£ funding required	
	e. Develop a training programme for family planning staff to better able them to provide sexual health services within the family planning setting.	<b>FP, GUM Consultant and Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Dec 2006	£ funding required	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	f. Develop and implement a plan to increase the numbers of staff that are dual trained in both sexual health and family planning.	<b>FP, GUM Consultant &amp; Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Dec 2006	£ funding required	
6. Improving Termination of Pregnancy Services	a. Improve the data collection and IT systems so that information about women seeking abortions can routinely be collected and shared with commissioners. The data is also required to measure progress against the MEDfash and London-wide Sexual Health Framework standards.	<b>FP Consultant &amp; Service Manager for Enfield</b> (Dr Barter & Sue Jowett)	<b>Short term Objective</b> Dec 2005	£ funding required	
	b. Ensure adherence to MEDfash and London-Wide Sexual Health Framework Standards.	<b>FP Consultant &amp; Service Manager</b> (Dr Christopher & Kim Morgan)	<b>Medium term Objective</b> Dec 2006	£0	
	c. Ensure care pathways are adhered to by those GPs who have a conscientious objection to abortion.	<b>FP Consultant</b> (Dr Christopher)	<b>Medium term Objective</b> Sept 2006	£0	
	d. Develop local provision for medical abortions e.g. at the North Middlesex Hospital, so that women do not have to travel out of area.	<b>Sexual Health Commissioner</b> (to be identified) & <b>Enfield FP Consultant</b> (Dr Barter)	<b>Medium term Objective</b> Jan 2007	£ funding required	
	e. Develop a 4YP Young People's Fast Track assessment clinic (for Enfield and Haringey), which would include child protection assessment & counselling on the spot.	<b>Enfield Teenage Pregnancy Co-ordinator</b> (to be identified) & <b>Enfield FP Consultant</b> (Dr Barter)	<b>Short term Objective</b> March 2006	Enfield NRF (with support from Haringey)	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	f. Deliver an abortion training programme that provides an opportunity for staff to reflect on personal attitudes and values and which addresses issues of individual choice.	<b>Health Improvement</b> (to be identified) & <b>FP Consultant</b> (Dr Christopher)	<b>Medium term Objective</b> Sept 2006	£ funding will be required	
7. Developing sexual health provision within Primary Care	a. Plan and develop a multilevel approach to developing sexual health services in Primary Care consistent with agreed Network model (strategic objective 2): <ul style="list-style-type: none"> <li>▪ Level 1 <ul style="list-style-type: none"> <li>○ Provision in generic GP practices</li> </ul> </li> <li>▪ Level 2 <ul style="list-style-type: none"> <li>○ Enhanced Service Provision</li> <li>○ LIFT developments</li> </ul> </li> </ul>	<b>Primary Care Director</b> (David Fazey) & <b>Sexual Health Commissioner</b> (to be identified)	<b>Short term Objective</b> March 2006	£0	
8. Developing Clinical Psychology in Sexual Health, Family Planning & HIV services	a. To further develop the strategic commissioning and management link between PCT and Mental Health Trust for the service.	<b>Sexual Health Commissioner</b> (to be identified) <b>Mental Health Strategy Co-ordinator</b> (Siobhan Harper)	<b>Short term Objective</b> March 2006	£0	
	b. Undertake a review of psychosexual support services for FP, GUM, & HIV within the new sexual health network with special reference to acute psychiatric assessment (HIV) and Liaison Psychiatry.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term Objective</b> Sept 2006	£ Funding may be required	
	c. Assess additional resourcing in relation to the outcomes of needs assessment and future provision within the sexual health network.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term Objective</b> Sept 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
9. Improving Young People's Services	a. Further develop young peoples sexual health and contraceptive services in the 4YP drop-ins and other youth settings through the work of the 4YP Nurse.	<b>Service Manager</b> (Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£NRF	
	b. Consider how to improve access to sexual health services for older young people (e.g. 18-25 year olds) who may find it difficult to access mainstream provision and can no longer access 4YP.	<b>GUM Consultant &amp; Service Manager</b> (Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£ Funding may be required	
	c. Develop and deliver a training programme for all providers across the Sexual Health Network that addresses the following: working with young people, confidentiality & under 16s and child protection issues.	<b>Haringey Teenage Pregnancy Co-ordinator</b> (To be identified)	<b>Medium term Objective</b> Sept 2006	£) if in-house or Funding required if commissioned externally	
10. Embedding Teenage Pregnancy within local sexual health provision	a. To embed the 4YP services (Bus, Drop-ins and 4YP Nurse) into the mainstream family planning and sexual health services by 2006.	<b>Asst. Director of Health Improvement &amp; Teenage Pregnancy Co-ordinator</b> (Michele Daniels) & (To be identified)	<b>Short term Objective</b> Dec 2005	£0	
11. Embedding Chlamydia Screening programme within local sexual health provision	a. To develop a mainstreaming options plan for how the funding for the Chlamydia screening programme will be picked up and how the service will be embedded within mainstream family planning and sexual health services by 2006.	<b>Director of Public Health</b> (Dr Ann Marie Connolly) & <b>Chlamydia Screening Co-ordinator</b> (Deirdre Sally)	<b>Short term Objective</b> Dec 2005	Mainstream funding needs to be identified	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	b. Continue to provide screening within the 4YP drop-ins (Wood Green and Northumberland Park) and develop a rolling programme to provide screening within the College of North East London & Middlesex University.	<b>Chlamydia Screening Co-ordinator</b> (Deirdre Sally)	<b>Short term Objective</b> Dec 2005	£ Chlamydia Screening Budget	
	c. Develop screening sites within the Ante-natal service at North Middlesex Hospital and within Primary care.	<b>Chlamydia Screening Co-ordinator</b> (Deirdre Sally)	<b>Medium term Objective</b> April 2006	£ Chlamydia Screening Budget	
12. Embedding SHOC within local sexual health provision	a. Secure dedicated accommodation.	<b>SHOC Coordinator</b> (Michelle Farley) & <b>Sexual Health Commissioner</b> (to be identified)	<b>Medium term Objective</b> Jan 2007	£ Funding will be required	
	b. Develop multi-agency care pathways for the management and support of the multiple and complex needs of sex-workers.	<b>SHOC Coordinator</b> (Michelle Farley) & <b>Sexual Health Commissioner</b> (to be identified)	<b>Medium Term Objective</b> Apr 2006	£0	
	c. Identifying drug service support for non-Haringey residents.	<b>DAT Coordinator</b> (Marian Morris)	<b>Medium Term Objective</b> Apr 2006	£0	
13. Developing sexual health provision within Community Pharmacies	a. Work with the Pharmaceutical Advisers in the context of the new pharmacy contractual arrangements to ensure that community pharmacists are integrated into the Sexual Health Network.	<b>Chief Pharmaceutical Adviser</b> (Stephen Deitch) & <b>Sexual Health Manager</b> (Patrick Dollard)	<b>Medium term Objective</b> Dec 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	b. Ensure that the 4YP Pharmacy Emergency Contraception Scheme is overseen by the Pharmaceutical Advisers and integrated into the Sexual Health Network.	<b>Chief Pharmaceutical Adviser</b> (Stephen Deitch) <b>&amp; 4YP Pharmacy Co-ordinator</b> (Pierre Izzo)	<b>Short term Objective</b> April 2006	£0	
	c. Ensure that Pharmacists receive up to date and easily accessible information about local sexual health, contraceptive and TOP services and how to refer into them.	<b>FP, GUM Consultant &amp; Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Short term Objective</b> April 2006	£0	
	d. Ensure that Community Pharmacists are included in any sexual health and contraception training programmes that are being delivered and/or facilitate a sexual health training programme specifically for pharmacists.	<b>FP, GUM Consultant &amp; Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£ funding may be required	
14. Developing sexual health role of NHS Walk-in	a. Develop partnerships with key staff at the Walk-in Centre to ensure that the services provided by the Centre are integrated into the Sexual Health Network.	<b>FP, GUM Consultant &amp; Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£0	
	b. Ensure that staff working in the Walk-In Centre can access regular sexual health and contraceptive training.	<b>NHS Walk In &amp; FP, GUM Consultant &amp; Service Manager</b> (Dr Christopher, Dr Nageswaran & Kim Morgan)	<b>Medium term Objective</b> Sept 2006	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
15. Improving the support for people living with HIV	a. Greater strategic and collaborative planning between Health and Social services to plan and develop services for those with HIV within the sexual health network.	<b>Sexual Health Commissioner</b> (to be identified) & <b>Commissioning Manager for, LBH</b> (Bernard Lanigan)	<b>Short term Objective</b> April 2006	£0	
	b. Undertake a detailed investigation of the health and social needs of HIV service users in the locality, particularly in relation to social care, housing and advocacy (to encompass reviewing specific needs of refugees and asylum seekers).	<b>Sexual Health Commissioner</b> (to be identified) & <b>Commissioning Manager for, LBH</b> (Bernard Lanigan)	<b>Medium term Objective</b> Sept 2006	£ Funding may be required	
	c. Develop care pathways to ensure that those with HIV/AIDS are smoothly, efficiently and appropriately referred between services.	<b>Sexual Health Commissioner</b> (to be identified) & <b>Commissioning Manager for, LBH</b> (Bernard Lanigan)	<b>Medium term Objective</b> Sept 2006	£0	
	d. Ensure that Winfield Road Drop-in is promoted, that it is accessible for people with HIV/AIDS and that it meets identified, information, advocacy and support needs (as highlighted in 15.b)	<b>Sexual Health Commissioner</b> (to be identified) & <b>Commissioning Manager for, LBH</b> (Bernard Lanigan)	<b>Short term Objective</b> April 2006	£ Funding may be required	
	e. To provide for psychological assessment and support services for Out-Patient and In-Patient Services within NMH. This may be undertaken within the broader review of psychological support services for sexual health and HIV suggested elsewhere in this strategy.	<b>BEMHS</b> (to be identified) <b>NMH Hospital Trust</b> (to be identified)	<b>Medium term Objective</b> Sept 2006	£ Funding may be required	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
--------------	-------	------------------	-----------	-----------	----------

**STRATEGIC OBJECTIVE 4: DEVELOPING BETTER SEXUAL HEALTH PROMOTION**

1. Improving commissioning of HIV prevention and sexual health promotion services and ensuring that initiatives are targeted work at priority groups and at risk populations.	a. Agree a local process for the commissioning of HIV prevention and sexual health promotion work that is open and inclusive and involves all sexual health network providers.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term Objective</b> Dec 2005	£0	
	b. Establish a local multi-agency Sexual Health Promotion & HIV prevention Sub-group (which could subsume the teenage pregnancy SRE sub-group) that reports to the Sexual Health Partnership Board.	<b>Sexual Health Manager</b> (Patrick Dollard)	<b>Short term Objective</b> April 2006	£0	
	c. Dis-aggregate the current PCT funding arrangements between Enfield and Haringey for Sexual Health Promotion & HIV Prevention.	<b>Director of Public Health</b> (Ann Marie Connolly)	<b>Short term Objective</b> Dec 2005	£0	
	d. Ensure that commissioning processes are linked to other pan London prevention commissioning arrangements.	<b>Sexual Health Commissioner</b> (to be identified)	<b>Short term Objective</b> Dec 2005	£0	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	<p>e. Develop a local Sexual Health Promotion and HIV Prevention Action Plan which should explicitly prioritise the following:</p> <ul style="list-style-type: none"> <li>• Link local prevention work to local services and to other health promotion campaigns at both national and pan-London level.</li> <li>• Develop local primary prevention function particularly targeting MSM and Black Caribbean communities, as these are groups currently under-targeted. This would be in addition to the work that already exists with African Communities.</li> </ul> <p>Give consideration to the interrelationship with other strategies e.g. Teenage Pregnancy.</p>	<p><b>Sexual Health Promotion &amp; HIV Prevention Sub-group</b></p>	<p><b>Medium term Objective</b> Dec 2006</p>	<p>£0</p>	
	<p>f. Develop a range of innovative sexual health promotion initiatives to minimise risks of STIs and HIV and unwanted pregnancies and which specifically target:</p> <ul style="list-style-type: none"> <li>• Older Young People (18-25)</li> <li>• Gay, Bisexual Men and MSM</li> <li>• BME groups</li> <li>• Refugees and Asylum Seekers</li> </ul>	<p><b>Health Improvement (to be identified) &amp; Health and Social Care Policy Team, LBH (Mary Connelly)</b></p>	<p><b>Medium term Objective</b> Dec 2006</p>	<p>£ funding required</p>	
	<p>g. Ensure adherence to MEDfash Standard 2: Promoting Sexual Health, and develop other quality standards as appropriate for the Network.</p>	<p><b>Sexual Health Promotion &amp; HIV Prevention Sub-group</b></p>	<p><b>Medium term Objective</b> Dec 2006</p>	<p>£0</p>	
	<p>h. Build capacity of local African and gay men's organisations to develop sites, settings and opportunities in which sexual health promotion and HIV prevention may occur.</p>	<p><b>Health and Social Care Policy Team, LBH (Mary Connelly)</b></p>	<p><b>Medium term Objective</b> Dec 2006</p>	<p>£ funding required</p>	

Local Action	Tasks	Accountable lead	Timescale	Resources	Progress
	i. Following the publication of LGMHHP review in Autumn 05, consider how to further support the LGMHPP through a representative contribution that reflects the local epidemiology of gay men.	<b>Planning &amp; Commissioning Directorate</b> (to be identified)	<b>Medium term Objective</b> Dec 2006	£ funding required	
2. Improving Sex and Relationships Education in school and non-school settings.	a. Ensure that every primary & secondary school has an up-to date SRE policy in partnership in line with the Healthy Schools Programme.	<b>Healthy Schools Co-ordinator, LEA</b> (Jude Clements)	<b>Medium term Objective</b> Dec 2006	LEA	
	b. Through the work of the teenage pregnancy strategy, explore with the LEA the feasibility of developing sexual health and contraceptive services in the school setting (possibly through the Extended School scheme).	<b>Teenage Pregnancy Co-ordinator</b> (To be identified) & <b>Healthy Schools Co-ordinator, LEA</b> (Jude Clements)	<b>Medium term Objective</b> Dec 2006	£ funding required	
	c. Work with the Youth Service, Looked After Children's Service, Leaving Care Team, Asylum Team, Youth Offending Team, Connexions and voluntary sector organisations to develop a strategic and targeted approach to the delivery of SRE in non-school youth settings.	<b>Teenage Pregnancy Co-ordinator</b> (To be identified)	<b>Short term Objective</b> March 2006	Teenage Pregnancy Grant (05/06)
