

Haringey Council's Supporting People provides three special services to help local people in their own homes.

Key Support, HARTS and Sixty Plus offer practical help, advice and emotional support. They can help with day to day challenges, like benefits, tackling rent arrears and neighbourhood disputes.

They could also help you access healthcare services, education, training and employment and assist with language difficulties.

The services are free and may be able to help. Contacting them couldn't be easier – just call. If you're not sure they are more than happy to talk things through with you.

For queries regarding Supporting People and other services offered please call 020 8489 3419 or email supporting.people@haringey.gov.uk
