## MONEY TO MOVE

An offer for Council tenants

---

## **Is your home too big for you?**

## **Are you spending money on heating a large house you don't need?**

## **Would you like to move to a new home?**

Haringey Council wants to help Council tenants living in large properties move to more suitably sized homes which in turn will help us house families who need larger accommodation.

In order to do this the Council are offering three options that combine a financial incentive with help and assistance to move...

### **Option 1**

We will pay for decorations, removals and any other related moving costs up to the value of £2,000

### **Option 2**

Give you £300 for each bedroom you are giving up

**&**

We will organise and meet the cost of either removals or decorations up to the value of £2,000 (less the cash payment for each bedroom you are giving up)

### **Option 3**

We will give you £650 for each bedroom you are giving up

## **Help and assistance to move**

As well as offering these financial incentives an officer from the Council will make sure that you get help and support throughout your move.

### **We will**

- Help you find properties that are right for you
  - Give you advice and information on all aspects of moving
-

- Attend viewings on your behalf or accompany you to view properties
- Arrange removal of your belongings to your new property or into storage
- Arrange for your new property to be cleared of unwanted furniture and carpets

**“The move wasn’t stressful as the Council took care of all my removals for me. I’ve lived in the same house for 35 years so it was a big step for me but one I am glad I’ve taken”**

- Mrs Kelly
