# Haringey's Safer Communities Awards 2010

Haringey is getting safer. We could not have achieved so much without the help of our communities and partners across the borough. We know that people are working tirelessly in a variety of ways to make the borough a safer place. We value your contribution, commitment and dedication and we want to take this opportunity to say **THANK YOU!** Without your contributions, we could not go that extra mile to making our borough safer and a better place for us all.

**You are welcome to nominate as many people as you like across all the categories listed below:**

## NOMINATION CATEGORIES

- 1. Most Outstanding Contribution by an individual over 60** – Do you know someone over the age of 60 - or a group of older people - who deserve special recognition for their contribution to improving safety and reducing the fear of crime in their community or in neighbouring communities within Haringey?
- 2. Most Outstanding Community Safety contribution by a young person or group of young people.** – (Anyone under the age of 18 can be nominated) – It is especially important to recognise the positive hard work and contributions of our young people. Would you like to reward special young individuals or a group of young people for helping others who may be vulnerable as victims or perpetrators; for improving the local environment or having creative ideas about crime prevention?
- 3. Best Community Safety Project, developed by an individual resident, group of residents or Residents' Association.** – We know that our tenants and residents groups are helping to make their estates safer but we want to know more. For example, do you know people who are exemplary neighbours or who take a stand against anti-social behaviour? Do you know anyone who has shown the courage to be a witnesses or who has worked hard to improve the safety of communal areas?
- 4. Best Community Safety Partnership Project Initiative** – Are you aware of a partnership project or initiative that is providing an exceptional service to the local community by, for example, increasing confidence, offering reassurance and support or helping to improve the quality of life in the community? Any Council, Police, Voluntary Sector or other Community Partnership Team can be nominated.
- 5. Most Outstanding Community Crime Fighter or Special Constable** – This award recognises the unique contribution made by members of the community who go that extra mile to serve the people around them as a Special Constable or Community Crime Fighter. Do you know someone who regularly gives up their time to put the people of Haringey first by providing that link between the safety services and the community?
- 6. Best Environmental Solution to Designing out Crime by a Resident** – We want to thank individuals who are working hard to, for example, improve the condition of their local park and open spaces or by working with the Police, Fire service, Local authority or agencies such as victim Support to come up with solutions to environmental crime and other community safety concerns.
- 7. Most Outstanding Volunteer within the Criminal Justice System** – Volunteering with the Police, Probation, Court service or the many varied voluntary organisations in the borough can be difficult and demanding but it is necessary and hugely appreciated. It requires a range of skills, sensitivity, confidentiality and dedication. The support that many volunteers provide in these areas goes a long way to helping people feel safe and confident in the services provided.
- 8. Best Community Safety initiative by a Local Business** – Are you aware of business owners or employees who are helping to make their area safer or leading by example. They may be developing projects through a trader's association; volunteering in the community or creating a socially conscious enterprise.
- 9. Most Outstanding contribution from a member of front-line staff across the Safer Communities Partnership** – We know that it is not easy and sometimes very hard to be on the front line of crime services and we want to acknowledge people who do this work diligently and passionately day after day. Nominate that Police Officer, Neighbourhood Manager, Youth Worker, Probation Officer, Community Development Officer or Team!

**10. Special Award Category Haringey Community Safety Citizen of the Year 2010** – This award speaks for itself. Nominations in this category are for those people who you think make an outstanding contribution to the safety and confidence of all people in Haringey.
