

School Governors

are people like you

Why not become one?

As a School Governor, you'll be part of a team. You'll agree the school budget covering everything from teachers to text books. You'll decide on the key issues which will help teachers to raise standards and to shape the future of the school. You don't need qualifications, just the desire to make a difference, a real commitment and some spare time.

*To find out more about becoming
a Haringey School Governor:*
