# Foreword

## Dear Parents and Carers

Moving from primary to secondary school is a very important step for your child. It is important that you consider all aspects of school life which are important to you and your child and that you also consider how likely it is that your child will be offered a place at one of your preferred schools.

Haringey secondary schools are very popular and we receive a large number of applications from Haringey residents and from those living in other boroughs. Each school has a set number of places and admissions criteria are used to decide who will be offered places.

This booklet will help you decide which schools to list on your application form.

We recommend that you apply online at **[www.haringey.gov.uk/schooladmissions](http://www.haringey.gov.uk/schooladmissions)**

Alternatively a paper application form is available.

Every school in Haringey is going to hold an open event which is an excellent opportunity to find out what each school has to offer. You and your child will be able to ask pupils and teachers questions, view work and listen to a talk from the Headteacher.

Please do not hesitate to contact the School Admissions Service on **020 8489 1000** if you have any questions about making your application. We wish your child every success at secondary school.
