## Oversubscription criteria

Children with a statement of Special Educational Needs which names the school, will be admitted in accordance with section 324 of the Education Act 1996.

If the number of applicants without statements of educational needs naming the school is higher than the number of places available, the following rules are applied, in the order of priority set out below to decide who will be offered a place:

### 1. Children in Care

Girls who are looked after by a local authority

### 2. Social medical

Girls who the Authority accepts have an exceptional medical or social need for a place at one specific school. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child.

### 3. Siblings

Girls with a sister already attending the school and who will still be attending in years 7-11 on the date of admission. This category includes foster sisters, half sisters or step sisters. Parents should note that in all these cases, the sister must be living at the same address as the girl for whom the application is being made.

### 4. Girls living in the priority area

Places will be offered to girls living in the following wards:

Alexandra • Haringay • Northumberland Park  
• Tottenham Hale • Bounds Green • Highgate  
Seven Sisters • West Green • Bruce Grove • Hornsey  
• St Ann's • White Hart Lane • Crouch End • Muswell Hill  
• Stroud Green • Woodside • Fortis Green • Noel Park • Tottenham Green

Places will be offered to each ward in proportion to the number of applications received for the school. This means that the more applications received from a ward, the more places will be offered to girls living in that ward.

If there are more applications from a ward than there are places available for that ward then the tiebreak will be girls living closest to the school.

This criterion will only be used until 1 March 2012 and the waiting list will be maintained in distance order.

### 5. All other applicants

The tie breaker for all criteria is: children living closest to the school measured in a straight line from the post office address point for the child's home, to the post office address point of the school, supplied by the Royal Mail using a computerised mapping system.

The tiebreak for two or more applications that live exactly the same distance from the school (and who are not from multiple births) will be random allocation using a computerised system.

Time: 7.00pm to 9.00pm

Open afternoon: 28 September 2011

Time: 2.00pm to 4.30pm

#### Oversubscription criteria

Where there are more applicants than places available, priority will be given in the following order:

- A. Children who are looked after by a local authority.
- B. Young people whom the Governors and Head accept have an exceptional need for a place at Fortismere. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other appropriate professional. In each case, it must be shown that the child's need can particularly well be met at Fortismere School.
- C. Children where, at the time of application, an older sibling is expected to be on roll (including in the Sixth Form) when a younger child starts at the school. This category includes foster brothers or sisters, half brothers or sisters, and stepbrothers or stepsisters. In all of these cases the brother or sister must be living at the same address as the child for whom the application is being made.
- D. Up to 10% of places (24 children in each year group) will be allocated on the basis of aptitude in music, to be determined by prescribed tests. There will be two stages to the process. In the first stage, all applicants for places under this criterion must sit a written test of musical aptitude. The test is of approximately 40 minutes' duration and does not require any previous knowledge of

music or music theory. There will be 60 questions in total in four sections: pitch, rhythm, texture and melody.

There will be one test session on a specified date in September and applicants will be notified in advance of the test venue. Those unable to attend on this date due to compelling religious, medical or other reasons will be offered one alternative date.

Applicants who achieve the qualifying mark in the first stage test will be invited to the second stage, and given an individual appointment during the school day near the start of October. Here they will be given further aural/oral tests based on rhythm and melody. All candidates will be ranked according to their test scores.

If 24 or more reach the required standard the places will be filled by the 24 of the highest ranking. If fewer than 24 reach the required standard then the remaining places will be offered under criterion

Where there is a tie between applicants' scores, proximity of the home address to the School will be the deciding factor.

Candidates applying under this criterion should complete a supplementary application form available from the school or Haringey Local Authority. This should be submitted directly to the school by **Friday 9 September 2011** for children who are transferring from primary to secondary in September 2012.

- E. Children living closest to the school as measured in a straight line from the front door of the home address where the child normally lives, to the school address point, which is the Reception in South Wing. This criterion will also be used as a tiebreaker for all the oversubscription criteria A to D.

The Governing Body of Academies set and apply the admissions criteria.

Time: 6.00pm – 8.00pm

Open mornings: Friday 30 September and  
Friday 14 October 2011

Time: 9.15am

#### Oversubscription Criteria

Where the Academy is oversubscribed, after the admission of children with statements of SEN, places will be allocated to applicants in the following priority order:

1. Young people who are looked after by a local authority (children in care) or who are the subject of an Education Supervision Order which names the school.
2. Young people whom the Governors and Principal accept have an exceptional medical, social or educational need for a place at Greig City Academy rather than another school.

Applications will be considered under this category only if they are supported by a written statement from a doctor, social worker or other appropriate professional confirming that Greig City Academy alone can meet the child's need and showing the difficulties that would be caused if another school had to be attended.

**Foundation Places** will be allocated to those young people whose parents are attached or linked to the Church of England or any other Christian denomination in fellowship with the Church of England. Examples of attachment would include, for example, a parent or parents who have had their child baptized or dedicated; parents who attend a church; parents are involved in activities and organisations sponsored by a church. Applicants must produce a letter of support from their parish priest or Christian minister to confirm their attachment. (See Greig Supplementary Information Form).

**Open Places** will be allocated to all other applicants regardless of the faith background of the family, on the understanding that parents and child support the particular ethos and values of the school.

#### Tie break

The tie breaker for all criteria is children living closest to the school measured in a straight line from the address point of the child's home to the address point of the school as supplied by the Royal Mail using a computerised mapping system.

#### Note

All applicants for a Foundation place at Greig are asked to complete and send in a Supplementary Information Form to the school. The form is used to enable Governors to allocate places in line with the admission policy. Applicants for an Open place do not need to complete this form.

If there are not enough applicants in either the Foundation category or the Open category to fill the places, then the remaining places in that category will be offered to applicants in the following category:

- Churches that are in fellowship with the Church of England will either be a member of Churches Together in Britain or the Evangelical Alliance

Headteacher's

talk: 6.30 pm followed by school tours

Open morning: Wednesday 5 October 2011

Time: 9.30 am – 11.00 am

#### Oversubscription criteria

Whenever there are more applications than places available, offers of places will be made using the following criteria in order of priority:

- Catholic looked after children.
- Practising Catholics (a reference from a priest will be required).
- Baptised Catholics (certificate required).
- Other looked after children.
- Eastern Christian churches, e.g. Greek Orthodox (a supportive reference will be required from a Priest).

Catechumen (this will normally be evidenced by a certificate of reception into the order of catechumens).

- Christians of other denominations whose parents wish them to have a Catholic education and whose application is supported by their Minister of Religion.
- Children of other faith communities whose parents wish them to have a Catholic education and whose application is supported by their religious leader.
- Any other applicant.

In each of the above criteria the presence of a brother or sister in the school at the time of admission will increase priority within each criterion. The term 'brother or sister' includes foster brothers and sisters, half brothers and sisters, step brothers and sisters and adopted brothers and sisters. It does not include other relations. The siblings must reside at the same address as the child applying for the place.

In the case of multiple applications from one family random allocation will be used to decide whom a single place will be offered to, this will take place in the presence of an independent witness.

Again further priority in each criterion will be determined, if necessary, by proximity of the child's home to the school. Distances will be measured from the front gate of the school to the front door of the applicant's home, in the case of flats the measurement will be to the front door of the flat within the building using a large-scale Ordnance Survey map.

In addition to the above criteria, the Governing Body will give top priority to an application within a category where evidence is provided at the time of application of a particular educational or other need of the child which can be most appropriately met at this school. Appropriate evidence will be provided by a professional such as a doctor, social worker or priest. The evidence must indicate how St Thomas More School can meet this need.

In addition to the completion of the Haringey Council Application Form, all applicants should complete a Supplementary Information Form (SIF) and return it to the school. If an applicant does not complete both forms the Governors' may be unable to consider the application fully and your child is unlikely to gain a place at this school. Parents will be advised of the outcome to their application.

SIF forms are available from the school, local Primary Schools and the local authority. Priest's Reference Forms are available from the school together with guidance notes for parents, these forms can be collected in person or posted to the applicant.

## Definitions

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church.

'Practising Catholic' means a Catholic child from a practising Catholic family where this practice is verified by a reference from a Catholic priest in the standard format laid down by the Diocese.

'Catechumen' means a member of the Catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

'looked after child' has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents).

'home address' means where the child resides for 50% or more of the school week.
