Haringey Site Allocations Development Plan Document (DPD)

Haringey Strategic Housing Land Availability Assessment

Call for Sites Form

The Council is seeking sites for inclusion within its Site Allocations DPD, and Strategic Housing Land Availability Assessment (SHLAA). Sites allocated in the Sites Allocation DPD will be incorporated into the development plan for the borough, and will help to shape the future of the borough.

At this time, the Council is seeking sites in excess of 0.25 hectares (0.62 acres) and for a range of uses, including (but not limited to):

- Sites able to make a contribution to the boroughs housing stock;
- Sites able to accommodate jobs and benefit Haringey's local economy;
- Sites needed to provide the infrastructure required to accommodate growth in the borough;
- Sites with the potential to enhance the shopping, recreation, leisure and amenity of the borough and its local areas.

The sites submitted during this consultation will be assessed by the Council, and a first draft consultation document will be released later in 2013.

If you need any further guidance with completing this form, please contact the Planning Policy Team. Please return your completed form, as well as a map with the site outline clearly identified on an Ordnance Survey base map, by 5pm on Friday 10th May 2013.
