

Acknowledgements

This report has been produced by NHS Haringey with input from Haringey Council, Embrace UK Community Support Centre (Embrace UK), Polish and Eastern European Family Centre and Age Concern (Health for Haringey). We are grateful to many people who contributed to this document and gave their time to give comments. We would like to thank all those people working in Haringey in both paid and unpaid capacities whose work is described in this report.

Special thanks to Marsaili Cameron, who provided editorial support for the Annual Public Health Report and Liza Cragg, who kindly offered editorial advice.

In particular, we would like to thank the following for acting as authors:
