# **Autism Support for children under 12**

# **Autism Pathway for under 12**

#### **1.** Referral received

Usually this has been sent by your school SENCo, SLT or GP.

### 2. Triage

Decision made about appropriate pathway and acceptance letter sent out.

### 3. Waiting list

We provide information and advice about the support available while you're waiting.

#### 4. Assessment

This could be within SLT sessions or a separate appointment.

### 6. Feedback

We will feed back strengths, differences and difficulties and the outcome of the assessment. You will be given a pack with local information and support.

#### 7. Report

A summary of the assessment and feedback will be sent to you, nursery/school, GP and anyone else that you think is useful.

#### 8. Discharge

Your child will be discharged from the social communication team but may be followed up by the doctors if there are any medical concerns.
