 Publication of a Development Plan Document Consultation

Dear Ciara,

Thankyou for consulting English Heritage on the affordable housing and employment land fundamental changes. We have no comments to make on these, but please let me know if you require a more formal response from us to this effect. Otherwise, we look forward to viewing, in due course, the minor changes suggested at our meeting on 30 September this year.

Kind regards,

Nick

The Town and Country Planning (Local Development) (England) (Amendment) Regulations 2008

Publication of a Development Plan Document (Regulation 27) Haringey's Core Strategy – additional Regulation 27 on Affordable Housing and Employment Land

The London Borough of Haringey published the Local Development Framework (LDF) Core Strategy Proposed Submission in May 2010 to seek formal representations on the legal requirements and soundness of the document prior to submission to the Secretary of State for an Examination in Public by an Independent Planning Inspector.

Our analysis of the formal representations received between May and June 2010 shows that the responses fall into two categories: minor changes and fundamental changes. The minor changes simply clarify our policy intent, include corrections and improved referencing. The fundamental changes seek a change in policy.

The Council is seeking final comments on the fundamental changes to the affordable housing element of SP2 Housing and the employment land designations, associated with SP8 Employment. The changes are attached to this email. This additional Regulation 27 consultation is necessary so that we can try to resolve as many issues as possible before the Examination in Public. As with all representations made in May-June 2010, it will be a matter for the Inspector conducting the Examination in Public to consider our proposed changes or any further comments about them.

The documents are available to view at 639 High Road, Tottenham, N17 8BD, the Civic Centre, High Road, Wood Green, N22 8LE, local libraries and online at www.haringey.gov.uk/local_development_framework/corestrategy

Responses should be made in writing, referencing your comments to the relevant paragraph, by email to ldf@haringey.gov.uk or FREEPOST LON 11863, London Borough Haringey, 639 High Road, Tottenham, N17 8BD.

If you have any questions on the documents, need copies of the documents or would like some assistance in making representations please call the Planning Policy team on 020 8489 1479, email ldf@haringey.gov.uk or visit our website at www.haringey.gov.uk. Please submit any comments by 5pm on Thursday 2nd December 2010.
