I have received your Core Strategy relative to affordable housing. Family Mosaic supports the objective of achieving 50% affordable housing in new developments. I note that the tenure split is to be 70% social rented and 30% intermediate. 5

Can you confirm how your analysis of the development took place and in particular your assumptions on Social Housing Grant. Can you also tell me how the Governments Comprehensive Spending Review announcement on the 20th October 2010 have influenced the Development Framework. 6
