Dear Ms. Whelehan

**Planning and Compulsory Purchase Act 2004 (as amended); Town and Country Planning (Local Development) (England) Regulations 2004 (as amended)  
Haringey Council Local Development Framework: Core Strategy (Submission Stage)  
Consultation following National Planning Policy Framework publication**

Thank you for your letter of 27 April 2012 inviting the GLA to make representations with respect to potential implications for the Haringey Core Strategy resulting from the publication of the National Planning Policy Framework (NPPF). As you will be aware, on 6 June 2012 the Mayor published consultation draft '*Revised Early Minor Alterations to the London Plan*', which is aimed at ensuring the London Plan is fully consistent with the NPPF.

My officers have reviewed your explanatory topic paper, and the associated appendices, and are content that it aligns with the minor alterations that the Mayor proposes for the London Plan, and represents a sensible and pragmatic response to the publication of the NPPF.

The GLA's view, expressed within the Mayor's revised statement of general conformity dated 20 April 2011, and the subsequent statement of common ground between Haringey Council and the GLA, dated 31 May 2011, is that the Haringey Core Strategy is in general conformity with the London Plan. The Council's proposed response to the publication of the NPPF is supported, and does not affect this view. Nevertheless, a number of detailed comments for your reference are provided within Appendix 1 which accompanies this letter.

If you wish to discuss these comments, or any of the representations previously made by the Mayor, please contact Graham Clements ([graham.clements@london.gov.uk](mailto:graham.clements@london.gov.uk) / 020 7983 4265).

Yours sincerely
