Dear Sir /Madam

RE: LAND COMPRISING THE HIGHGATE GARDEN CENTRE & THE HARRINGTON SCHEME- HG4: HIGHGATE BOWL

We had a meeting with Emma Williamson on 18 March to discuss the former Highgate Garden Centre site.

At the meeting we indicated that we did not disagree with the Council's draft site allocation (subject to proper application of LPA policies) and so did not submit a formal response to the Site Allocations Consultation Document: Jan-Feb 2014. However, Emma Williamson suggested that we should confirm in writing to you that our non response was in the context of the current application for three houses on the site. We agree with the Council that the site is under utilised. The current proposal provides a low density housing scheme, using high quality materials appropriate for the Conservation Area, whilst successfully maintaining the open character of the bowl.

Accordingly I would be glad if you could register us as supporters of the HG4: Highgate Bowl Draft Site Allocation.

I look forward to hearing from you in due course.

Kind Regards
