Subject: Call for Sites (Haringey)

Dear Ms Warren,

Thank you for the consultation on *Call for Sites* dated 25 March 2013.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

It is not appropriate for Natural England to suggest sites for future development, so we cannot provide you with a list of potential development sites. We would, however, request full consideration of the natural environment in the process of selecting and assessing sites for allocation through the Local Plan.

If you have any queries regarding this response, please do not hesitate to contact us.

Warmest wishes,

Francesca Barker
Adviser - Land Use Operations
Natural England

www.naturalengland.org.uk

If you have just sent me a land use consultation, please resend to consultations@naturalengland.org.uk or, for any other land use query, please contact our Land Use Planning Enquiry line (0300 060 3900) in the first instance.

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.

Subject: Haringey planning policy consultation - Development Management document and Call for Sites

New Consultation

Preparation of Haringey's Development Management Policies and Call for Sites, 22nd March – 10th May 2013

(Closing date: 5pm Friday 10th May 2013)

Development Management Document

Haringey is consulting on a draft set of *Development Management Policies* (DMP) and we would really like to hear your views on these draft policies.

17/07/2013

The overall spatial development plan for the borough is provided in the recently adopted Local Plan (formerly Core Strategy). The *Development Management Policies* sets out more detailed planning policy requirements for new development proposals in Haringey. At this stage it is just a draft for public consultation and views.

The consultation document contains 23 policy approaches/principles which are organised around three steps to determine planning applications. These are

- (1) getting the right development in the right place;
- (2) delivering the best design; and
- (3) enhancing our borough's infrastructure.

Each policy under the three steps includes a list of consultation questions. We would like to hear your views on these.

To have your say on the draft *Development Management Policies* simply go to www.haringey.gov.uk/developmentmanagement where you can comment via an online questionnaire (this questionnaire will go live on Tuesday 26th March).

Call for Sites

In addition to this, we are also carrying out a Call for Sites consultation which will inform a future *Site Allocations Document*. We are looking for potential development sites or groups of sites where there might be the opportunity for redevelopment or changes of use. Potential uses might include housing, employment, community facilities and open space.

To suggest a site for inclusion in the *Site Allocations Document* go to www.haringey.gov.uk/siteallocations.

Drop-in Sessions

We are also running public drop-in sessions where staff will be on-hand to answer any questions:

- Hornsey Library, Haringey Park, London N8 9JA, Wednesday 10th April, 4pm – 7pm
- Marcus Garvey Library, Tottenham Green Leisure Centre, 1 Phillip Lane, London N15 4JA, Tuesday 16th April, 4pm – 7pm
- Wood Green Central Library, 187-197A High Road, Wood Green, London N22 6XD, Wednesday 24th April, 4pm – 7pm

All documents can be viewed at our offices 6th Floor, River Park House, 225 High Road, N22 8HQ and the Civic Centre, High Road, Wood Green, N22 8LE and at local libraries.

Please email us at ldf@haringey.gov.uk or by post to:

Planning Policy Team
Place and Sustainability Directorate
