10th May 2017

Dear Resident,

We are again staging two events in Finsbury Park - Southport Weekender Festival on **Saturday 10th June** and Tranz-mission on **Sunday 11th.**

Saturday runs between **11am and 10.30pm** and Sunday between **12pm and 10pm.** The capacity of each event will not exceed 12,000 people and will use the southern section of the park known as the Bandstand Field, as shown on the attached map, leaving other parts of the park open as normal to public access. Stroud Green Gate will be used for the majority of crowds to enter and leave the park.

The event build will commence on Monday 5th June and we will be on site through to Wednesday 14th. During this time there will be site traffic associated with the event in the park, which will be stewarded. Please be aware that the Oxford Road Gate will be locked at 4pm on event days to stop event goers exiting into residential streets. It will be re-opened the following day as usual.

During the event stewards, litter pickers and noise management teams will patrol the park. Litter pickers are to work through the night after each event, within the park. Should you have any concerns during the event with regards to litter or sound, please call the numbers listed below:

Event Production Team (all public feedback including litter): **01749 574 013**
Event noise complaints hotline: **01749 574 015**
Both these telephone lines are operational between Monday 5th and Wednesday 14th June.
NB - all calls are charged at normal local rate.

Event organiser / production company: Slammin' Events 020 8363 5566
Haringey Licensing Team: 020 8489 8232
Haringey Noise Team 020 8489 1335 Mon-Fri daytime /020 8489 0000 after 5pm and at weekends

The noise management team will be constantly taking sound measurements on and off the event site to ensure that the event operates within the set licensing conditions.

A soundcheck is scheduled to take place on **Saturday 10th June between 9-11am** (intermittently) to help set levels and take sound readings around the park.

Additional public toilets will be made available within the park but outside of the fenced off event space, these toilets will be for general use to the public.

There will be some congestion in the area once the event finishes due to sheer numbers of people looking to use the existing transport services. Stroud Green Road will be closed between Tollington Park and Seven Sisters Road between 9.20-10:50pm (Sat) and 9.30-10.30pm (Sun).
Seven Sisters Road will be open as usual. Please be aware of people leaving the site from 10pm on each event day.
Stewards will be on site in Stroud Green Road to manage the ingress/egress of patrons for the event.

Additional Event Day parking restrictions will apply in Haringey. Controls will operate from 8:30am to 8:30pm on Saturday 10th and from noon to 4:30pm on Sunday 11th within the Haringey Finsbury Park CPZ's. For further information please go to www.haringey.gov.uk

Kind Regards
Slammin' Events
