WORKS NOTICE

Match day waiting restrictions along east side of Pretoria Road

Dear Resident or Trader,

The Council recently issued a notification of proposals for additional match day waiting restrictions along the eastern side of Pretoria Road (between the Irish Centre and White Hart Lane).

Specifically the proposal is to change the operating days and times from weekdays only to Monday-Friday 8am - 8:30pm, Saturday & Sunday from 12 noon - 4:30pm on a match day. Current restrictions operate Monday to Friday 8am - 6:30pm.

I would like to thank all those who commented on the proposals and to inform residents and businesses that after considering all representations the Council has decided to introduce the measures as proposed. A copy of the signed report can be found on our website under Environment & Transport > Parking > Parking consultations > recent parking consultations.

Before we can enforce the restrictions, we must publish a 'Notice of Making' in the London Gazette and the local press. This was published on **17 March 2011**. The notice will also be displayed within the area.

We plan to carry out the necessary work to modify the signs and display the revised restrictions before **9 April 2011**, which coincides with the next home fixture for Tottenham Hotspur.

If you have any queries about the scheme please contact the project engineer, Vincent Valerio, on **020 8489 1325** or email frontline@haringey.gov.uk alternatively you can write us at the address above.

Thank you for your attention

Yours faithfully,

Joan Hancox
