## WORKS NOTICE

### Green Lanes southbound: Revised Saturday Pay and Display Times

Dear Resident or Trader,

The Council carried out a statutory notification in January/February 2011 on proposals to improve parking facilities for both shoppers and businesses along Green Lanes by proposing to allow pay and display parking through to 7pm on Saturday instead of 5pm as currently applies.

The specific measure proposed is to remove the existing 5-7pm parking restriction which applies on Saturdays along the southbound carriageway of Green Lanes; and allow pay and display parking until 7pm.

I now write to thank all those who commented on the proposals and to inform you that the Council has decided to introduce the changes to pay and display times to benefit local traders and shoppers. A copy of the signed report can be found on our website under Environment & Transport > Parking > Parking consultations > recent parking consultations.

Work to modify the signs and carry out line marking is planned to take place between **30 March and 1 April 2011**, subject to weather conditions; and should take one day to complete. We will ensure that any disruption to the public is kept to a minimum.

Legal notices must be published before the revised times can take effect. The requisite notices were published on **24 March 2011** with copies displayed in the local area. The new parking restrictions will come into effect on **2 April 2011**.

If you have any queries about the scheme please contact the project engineer, Vincent Valerio, on **020 8489 1325** or email [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk). Alternatively you can write to us at the address above.

Thank you for your attention.

Yours faithfully,

**Joan Hancox**  
Head of Sustainable Transport
