

STREET GRITTING

Priority 3 Carriageways

The following roads are Priority 3 carriageways for street gritting. Any road that is not listed in priority 1 or priority 2 is deemed to be priority 3. Because weather conditions are rarely very bad for a very long period of time it is unusual to carry out gritting operations beyond priority 2. However, if the need arises resources will be deployed to do so. Officers will assess local conditions throughout the borough and direct resources to deal with priority 3 locations where gritting is needed the most.
