

10 February 2011

Works Notice

Extension of Crouch End 'B' (CPZ)

Dear Resident or Trader,

The Council issued a notification letter in September 2010 for an extension of the Crouch End B CPZ.

During the notification period, we received a number of representations from both within and outside the proposed extended area. On behalf of the Council I would like to thank all those who took the time to have their say and make their views known.

Having considered all representations received the Council has taken the decision to extend Crouch End B CPZ to include the following roads:

- Bedford Road
- Berkeley Road
- Birchington Road
- Broughton Gardens
- Bryanstone Road
- Clifton Road
- Coleridge Lane
- Coleridge Road
- Coolhurst Road
- Crescent Road
- Crouch Hall Road
- Edison Road
- Glasslyn Road
- Montenotte Road
- Russell Road
- Shanklin Road
- Shepherd's Hill (between Montenotte/Coolhurst Road and Stanhope Road)
- Tivoli Road
- Wolseley Road

A copy of the council's report including details of representations, and the Council's response to objections; is available to view on our website at www.haringey.gov.uk under Environment & Transport > Parking > Parking Consultations > Recent Parking Consultations

The operating hours and days of the extended Crouch End B CPZ will be from 2pm to 4pm, Monday to Friday.

Double yellow line restrictions will be implemented at some locations, primarily junctions. The purpose of these is to improve visibility for pedestrians and motorists by reducing the inconsiderate and obstructive parking at junctions, near pedestrian crossing points and in narrow roads, which can represent a real hazard to road safety. For location details please refer to the link previously provided overleaf.

Formal notices advising of the work will be published on **10 February 2011** and we intend starting work on **14 February 2011**. This will involve line marking as well as installation of signs and posts. The work is expected to take seven weeks to complete but this to some extent depends on the weather. During this period, there may be some traffic disruption although we will make every effort to keep this to a minimum.

Please note that from **4 April 2011** you will need a valid parking permit to park in the CPZ when the CPZ is in operation. As mentioned above, the operational times will be weekdays from 2pm to 4pm.

A resident parking permit application form and details of charges is enclosed with this letter. If you are a business and require a permit application form please either call the Customer Services number provided or download an application form from our website: **www.haringey.gov.uk** under Environment & Transport > Parking. All other queries on parking permits and applications should be directed to Customer Services on **0845 073 0000**.

For queries about the extension to the CPZ and associated highways work, please email **frontline.consultation@haringey.gov.uk** or contact the Project Engineer Vincent Valerio on **020 8489 1325**. Alternatively, you can write to us at the address above.

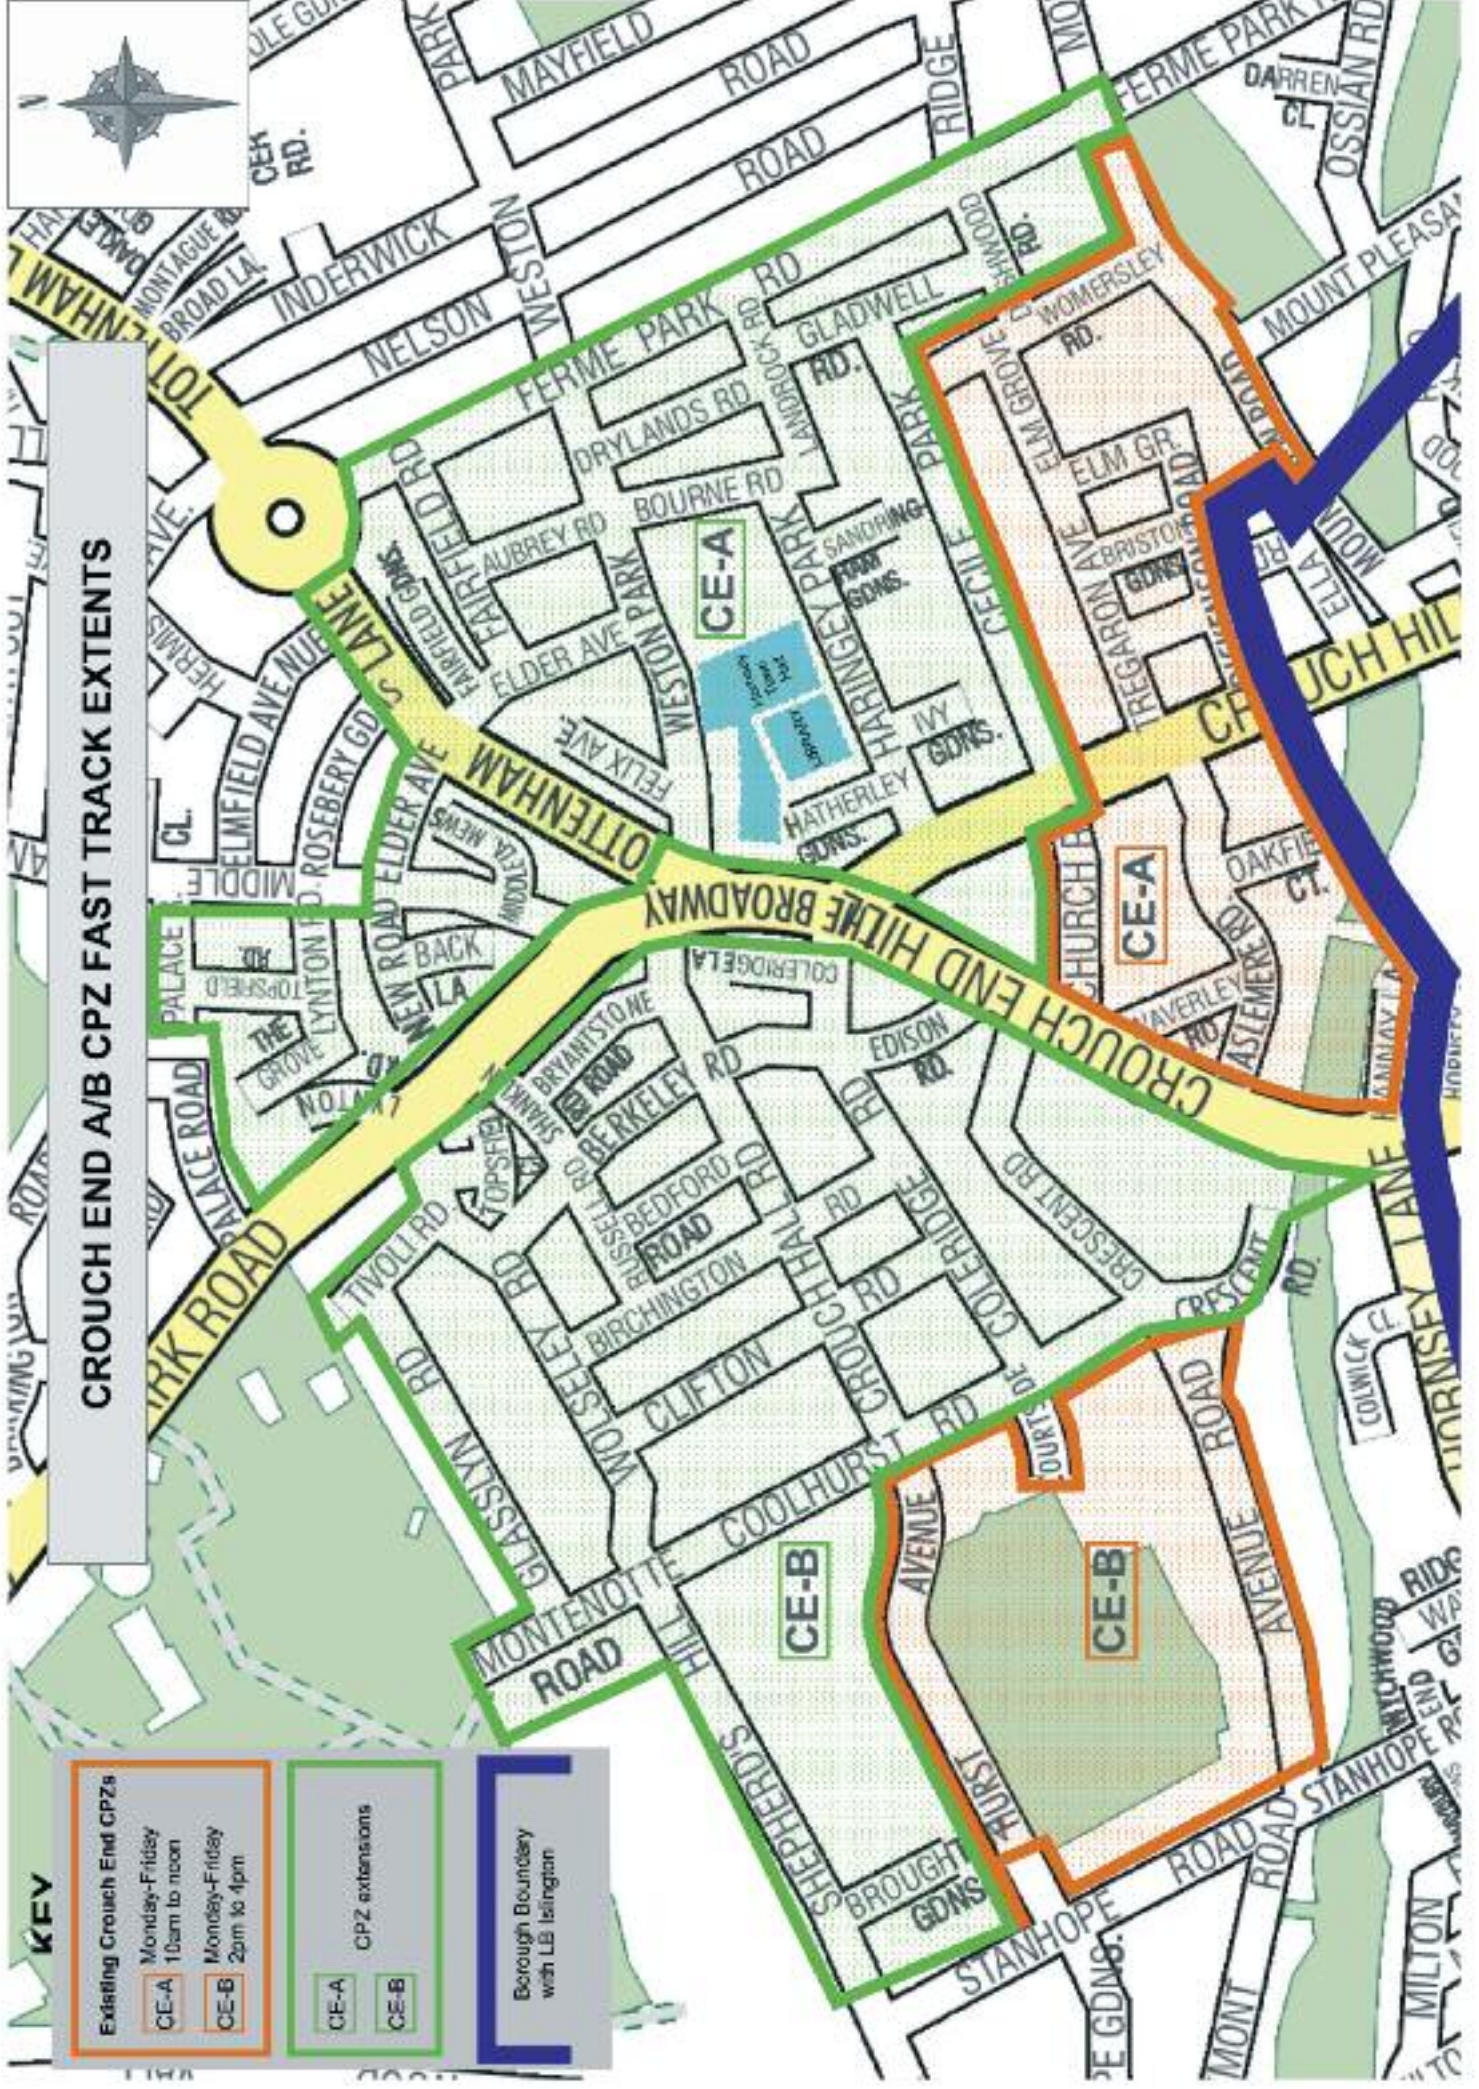

Yours faithfully,

Joan Hancox
Head of Sustainable Transport
