DECLARATION TO BE SIGNED BY PARENT(S) OR GUARDIAN(S)

Our School has very close links with St. James's and other local Churches and together we aim to give the children a Christian foundation to life.

I/We are in sympathy with this aim, and agree to support the School in carrying it out.

I/We also understand that we will be requested annually to help the governors meet their obligations in the funding of the School. (In 2004 the contribution was £100 per year although many parents voluntarily gave more)

I/We confirm that we have completed the Common Application Form provided by the London Borough of Haringey and will return this with the necessary documentation to the address shown on the front of this Application Form.
