Notes for the applicant's parent(s) or guardian

Please read the following notes before completing this form

- Please ensure that you have read the school's admission policy and the criteria for admission before completing this form.
- **Admission to the nursery does not entitle a child to a place in reception the following year; a further application must be made and there are separate forms for the nursery and the main school. IT IS THE RESPONSIBILITY OF THE PARENT TO ENSURE THAT HE/SHE HAS USED THE CORRECT SUPPLEMENTARY FORM.**
- **All parents must complete a Haringey Application form for a Primary School place and send it direct to the Authority by the closing date in November. You can also apply on line. [leaflets in the office]**
- **No guarantee of a place can be offered by the school, and parents/guardians should not seek such a guarantee.** Places are awarded by a panel of governors who will consider ALL applications notified to them by Haringey, and grant places in accordance with the published criteria and points system.
- Completed supplementary forms, forms of recommendation and/or supporting documents must be returned to the school by 1st December for entry the following September.
- Please ensure that the applicant's name is exactly the same on this form as on any form of recommendation or other documentation supporting the application.
- Please ensure that you have completed all sections of the form.
- Parents and guardians are reminded that St Michael's school is usually heavily over subscribed. Parents/guardians are strongly advised to have other applications in place in case their application to St Michael's School is unsuccessful.
- Overriding priority is given to children with Special Educational Needs identified though a statement issued under the Education Act 1996 which names the school, or who are the subject of an Education Supervision Order under the Children Act 1989 which names the school.
- **Fraudulent information:** An offer of a place in either the main school or the nursery may be withdrawn, at any time, if it comes to light that the place was obtained using a false address or other false information or documentation. Please see the school's admission policy for full detail.
