Street Trading Fees and Charges Statutory Consultation

Purpose of consultation:	<p>To advise traders of the annual inflationary increase to Street Trading fees and charges, and invite comments under the statutory process.</p> <p>Fees are comparable with other London Boroughs, increasing by just over 2% for 2008-9.</p>
Methodology:	<ul style="list-style-type: none"> ▪ Advertisement placed in local newspapers ▪ All current licensees notified in writing of the charges and consultation.
Findings:	No objections to the proposed increases in fees and charges were received. Licensees satisfied with annual increase of just over 2%.
What does this mean for us?	Fees and charges were agreed and implemented as of 1 st April 2008.
How were results communicated?	Finalised fees were published in Haringey's local newspapers in March 2008 and also available on Haringey web site.
