

Supplementary and Community Language Schools in Haringey

This directory provides mainstream schools, community groups, parents and children with information on Supplementary and Community Language Schools in Haringey and details of the range of subjects taught and enrichment activities provided are included.

Haringey Council values and recognises the important role Supplementary and Community Language Schools have played over the years in improving educational standards, promoting the social inclusion, building the cultural identity and self-esteem of children ensuring they get the best from learning.

Haringey Council is committed to continuing its support to schools by meeting the following objective:

‘to support and promote partnerships between mainstream, supplementary and community language schools to ensure that children and young people from Black and minority ethnic communities are better supported to reach their full potential’.

Choosing a Supplementary School

Haringey Council cannot recommend any of the Supplementary Schools listed in this directory but we advise parents to check the following policies and practice are in place at the school:

- 1. Through discussion with the schools Headteacher or Coordinator satisfy yourself that the school meets your Childs academic or creative needs e.g. the lessons or activities timetabled**
- 2. If the school teaches mother tongue languages check that this is taught to a nationally recognised accredited level. If it is not what plans does the school have in place obtain accreditation?**
- 3. Have walk around the school, look at the facilities, see were your child/children will be taught and were they will play**
- 4. Ask to observe either lesson or activities**
- 5. Check the school has up to date Child Protection; Health and Safety; Disciplinary; Complaints and Equal Opportunities Policies and a member of staff responsible for Child Protection issues**
- 6. Check that all the staff working directly with children are either Criminal Record Bureau (CRB) checked or supervised staff who have been CRB checked**
- 7. Finally, talk to other parents and children attending the school about their experiences of the school**

Note:

The London Borough of Haringey wishes to point out that it does not maintain or formally inspect all of the Supplementary and Community Language Schools included in this directory. The inclusion of a school should not therefore be taken as an endorsement. It is important that parents and carers satisfy themselves that a particular school is appropriate for their child.
