

Report Title. Proposals for the use of additional funding for the repair of potholes

Report of Lyn Garner, Director of Place and Sustainability

Signed :

02.09.11

Contact Officer : Joan Hancox, Head of Sustainable Transport

Wards(s) affected: Tottenham Green,
Tottenham Hale and Seven Sisters wards

Report for: Non-Key Decision

1. Purpose of the report

- 1.1. To agree the allocation of the £34,250 additional funding provided for road repairs

2. Recommendations

- 2.1. That Members agree to allocate the £34,250 for additional road repairs as set out in Appendix 1.

3. Reason for recommendation(s)

- 3.1. The list of roads has been compiled from suggestions from the public and following an intensive survey of all roads in August 2011. Addressing all the identified potholes will reduce the need for future repairs and help seal the carriageways before the winter weather commences.
- 3.2. We have identified 86 roads with existing potholes that do not meet our existing intervention levels. In addition to pothole repairs we are recommending the repair

of the entire length of Mansfield Avenue, a 20m patch in Manchester Road, some patching in Markfield Road and a large area in Seymour Avenue. These are set out in Appendix 1.

3.3. We are also recommending that potholes which have been previously reported but below our intervention levels are also repaired as part of this programme and the value of these comes to £450. These are also set out in Appendix 1.

3.4. The Council has already spent £9,360 on pothole repairs in the area since the start of the financial year and will continue to repair potholes as part of its normal maintenance programme.

4. Chief Financial Officer Comments

4.1. These repairs are being financed by additional funding provided by the Government for road repairs.

5. Head of Legal Services Comments

5.1. There are no legal implications.

6. Consultation

6.1. A presentation was made to the Area Forums in June/July 2011. Information was provided on the Council's website and a news item appeared in the August Haringey People inviting suggestions for road repairs.

7. Use of appendices /Tables and photographs

7.1. Appendix 1: Recommended road repairs

8. Local Government (Access to Information) Act 1985
