

# Improving West Green Road

Have your say on proposed  
transport improvements on West  
Green Road

## Improving West Green Road

Haringey Council proposes to remove the one-way system on West Green Road, to create an improved public space with better facilities. The removal of the one-way system will make the area a more attractive place to live, work and visit.

## Objectives of the Scheme

The West Green Road Urban Realm Improvement Scheme aims to reduce the impact of traffic on the local area, while also improving road safety and helping to better utilise the existing green space.

## Current Issues

The existing one way system experiences higher traffic speeds compared with the other areas of West Green Road and Philip Lane. The existing road layout isolates the central park area and the existing pedestrian crossing layouts are congested and unevenly spaced on West Green Road.

## Key Benefits

The improvement scheme aims to make the area more pleasant by creating a safer environment for pedestrians, cyclists, other road users and the local community. The benefits include: Better facilities for pedestrians and cyclists

- Reduced vehicle speeds
- Green space improvements
- Safer junctions
- Convenient bus stop locations
- Tree planting
- Improved pedestrian crossing points
- Increased cycle parking
- New carriageway surface
- No loss of resident parking
- Modelled to ensure the scheme does not have a negative impact

This leaflet marks the start of a statutory notification period in which we invite you to tell us what you think about the proposals set out in the plan overleaf.

## Your Views are Important

This is your chance to tell us what you think about the proposed improvements for the West Green Road area. Please return the attached freepost feedback form, as soon as possible and no later than 16th December 2011. Your views will ensure we deliver the right scheme for your area. If you have queries about the project please email us at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk) or contact our Engineering Projects Team on 0208 489 1158.

## **Exhibition & Public Meeting – Have your say**

Haringey Council will be holding an exhibition at Park View School on Saturday 3rd December from 14:00 until 18:30. Following the exhibition a public meeting will be held in the same venue from 18:30 until 20:00 with Haringey Council officers available to discuss the scheme and answer questions. Access to the school will be from the West Green Road entrance.

## **Next Steps**

Haringey Council will review the feedback responses and suggestions from the public and interested parties regarding the West Green Road Urban Realm Improvement Scheme and, where appropriate, incorporate them into the scheme as it moves into the next stage of works. If the scheme is approved, construction would begin in January 2012 and is likely to last 2 months. Haringey Council will aim to keep disruption to a minimum during construction works.

## **Contact Details**

- Telephone: 020 8489 1158
