Haringey Council offers this translating and interpreting service to Haringey residents. We can translate this document into one language per resident ONLY.

Woodlands Park Children's Centre

Provides services for families with children aged 0-5

What is a Children's Centre?

A Children's Centre brings together a range of services for children under five and their families such as family support, health and education. It includes good quality childcare, information and support across the local community. The idea is to make services easy to use and to give children the best start in life.

What services can you expect from us?

- Accessing child and family health services
- A friendly place to play and learn
- You can meet other families
- Access to family friendly support services
- Support on looking for work or training
- Become a volunteer in the community

Family support, learning and fun

- **Stay and play** sessions including music and movement, story time, rhyme and messy play
- **Support** for parents, carers and children with disabilities
- **Training** courses for parents
- **Activities** for fathers
- **Workshops** on parenting
- **Parents Forums** give parents and carers the chance to have their say

Health care support

- Health visitors
- Midwives
- Speech and language therapists
- Child and adult psychologists
- Breast feeding support
- Dieticians and nutritionists
- Dental health advice

Information for families

- Childcare choices
- School places
- Holiday activities
- Debt advice
- Other local services
- Tax credits and benefits

Childcare information

Our popular nursery offers childcare for children aged seven months and up to five years old. We offer children a range of activities to support their learning, growth and development. You can also get information from us about local childminders.
