

Design your own Carnival Headdress

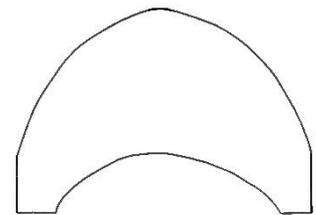

Explore the pictures of Carnival headpieces and be inspired to make your own.

Headdress' by People's World Carnival Band. Images © Bruce Castle Museum

HOW TO MAKE YOUR OWN CARNIVAL HEADDRESS

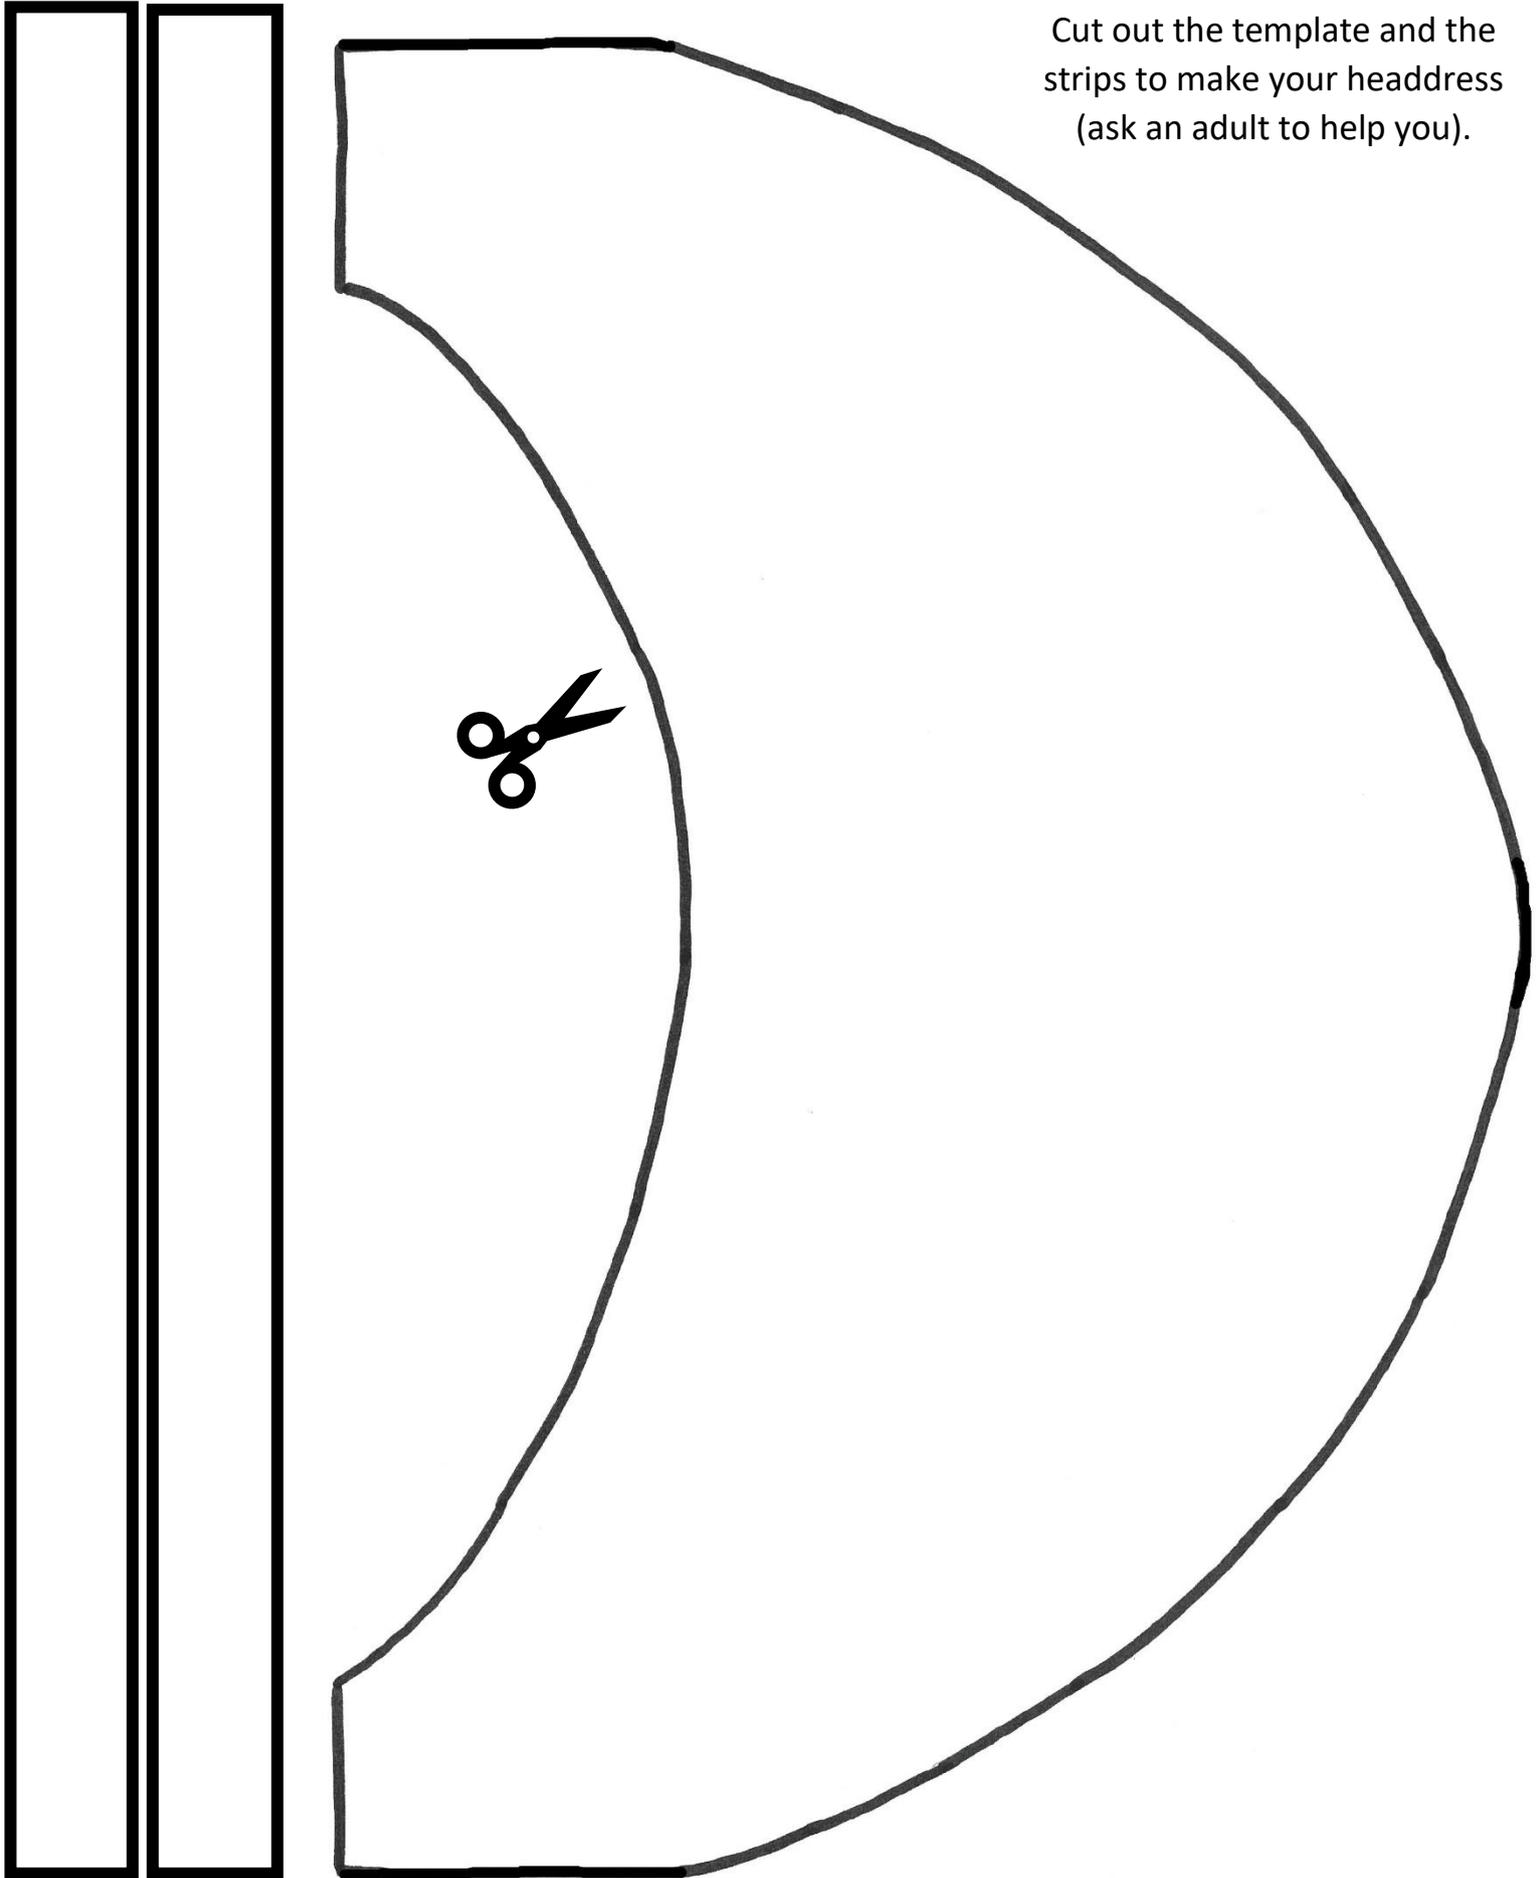

1. Print out our Carnival template (on the next page).
2. Decorate your headdress with a design of your choice.
Things you could use to decorate - colouring pencils, shiny paper, sequins, or glitter.
3. Cut out the template and the strips for the headband. Measure the strips around your head and tape or glue to fit your head.
4. Tape or glue your headdress to the headband
5. Why not try adding feathers to complete your look.

Now put your headdress on and imagine what it would be like during carnival.

Carnival Headdress Template

Cut out the template and the strips to make your headdress (ask an adult to help you).

Caution: adult supervision will be required when completing this craft.
Do not leave children unattended at any time.
