

**Applying for a school place
for September 2026 in
Reception or Junior
School**

**Application deadline
15 January 2026**

Foreword

Dear Parents and Carers

As a council we are working to give every child in Haringey the best possible start in life: having an excellent education is part of that. Starting school is a momentous time for every child and family. Choosing a school is a big decision and this booklet is designed to help you.

Each one of Haringey's schools is committed to supporting our children and providing top quality education and great opportunities. We are one of the top boroughs in the country for Ofsted ratings, meaning you can be confident of your child enjoying a high standard of education here.

To help you, this online booklet gives you all the information you need to apply for a primary school place in Haringey. We have set out a detailed profile of each school and a step-by-step guide to the online application process.

When you make your application, you will be able to list up to six primary schools, in order of preference. You might want to visit your preferred local schools before applying, so that you can be sure you are selecting the right preferences for you and for your child. We strongly advise that you do visit the schools you are interested in as this will help you to make an informed choice.

It is important to remember that expressing a preference is not the same as selecting which school your child will attend – many schools in Haringey receive more applications than there are places available. The admission criteria in this booklet set out how decisions on offers of places will be made where schools are over-subscribed.

Once you have decided on your preferences, please apply online at www.eadmissions.org.uk. We encourage every parent and carer to make their application online where they can. You can make your application using a computer, smartphone, or tablet. If you don't have access to any of these devices or the internet, you can request a paper application using the information set out in this booklet.

Please note, you can use a computer and access the internet for free at any one of Haringey's nine libraries. Please visit Haringey libraries for opening times and more information about libraries.

The deadline for submitting applications is 15 January 2026. Please make sure you apply on-time. If your application is received after this date, it is very unlikely that your child will be offered one of your preferences.

We look forward to receiving your application and to welcoming your child to school in September 2026.

Cllr Zena Brabazon
Cabinet Member for Children, Schools, and Families

Jane Edwards
Director for Schools and Learning

Don't be late!

Apply online by 15 January 2026

www.eadmissions.org.uk

- **It's secure and easy**
- **You will receive email confirmation that we have received your application**
- **You can make changes to your application until the deadline**
- **You find out the result of your application before paper applicants**

Applying for a School Place

Reception Admissions 2026

If your child was born between 1 September 2021 and 31 August 2022, you will need to apply for a reception place for September 2026. Even if you want your child to start school later, you must still apply now within the timescales given in this booklet.

There is no automatic progression into Reception class for children currently attending the nursery at a community school. Please apply online for a Reception place.

Junior Admissions 2026

If your child was born between 1 September 2018 and 31 August 2019 and your child attends:	You will need to apply for a junior place for September 2026 at:
Belmont Infant	Belmont Junior
Rokesly Infant	Rokesly Junior
St. Francis De Sales Catholic Infant	St. Francis De Sales Catholic Junior
St. Mary's Catholic Infant	St. Mary's Catholic Junior
South Harringay Infant	South Harringay Junior
St Paul's and All Hallows Infant	St Paul's and All Hallows Junior
Campsbourne Infant	Campsbourne Junior
Bounds Green Infant	Bounds Green Junior

SEND Admissions 2026

Haringey provides a range of specialist facilities and support services for children with special educational needs and/or disabilities (SEND). The special educational needs of most children are met in mainstream schools where additional help is available. In certain cases, a special school or unit may be appropriate. Information about provision for children with special educational needs and/or disabilities (SEND) is available from the SEN team.

Children with an EHCP

If your child has an Education Health and Care Plan (EHCP), their transfer to primary school will not be via the normal admissions procedure set out in this booklet. The SEND Service will write to you in September and explain the procedure for applying for a primary school for your child. If you have any questions about this process, please contact the Statutory Assessment Team for Early Years to Year 5 (Team 1) at sendteam1@haringey.gov.uk.

If your child does not have an EHC Plan before the national offer day of 16 April 2026 then a place at a maintained mainstream school will be offered to you in accordance with the admissions criteria set out in this booklet.

Special Schools

The decision to offer a place at a Special School rests solely with the Haringey SEND team. If you would like more information about this process or any of the information events that are held for children undergoing an assessment for an EHCP or otherwise, please visit www.haringey.gov.uk/children-and-families/local-offer.

Applying for a School Place

Key dates for Reception and Junior Admissions

Date	What will happen?
1 September 2025	Applications open
15 January 2026	Application deadline
16 April 2026	Offer day/online outcome. Online applicants will receive notification of their offer in an email. Paper applicants will be sent an offer letter or an email if one has been provided.
30 April 2026	Acceptance deadline - online applicants should accept their offer online
18 May 2026	Appeal deadline

Deciding which school place you would like to apply for

1. Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and look to see which criteria apply to your child. See the admissions criteria for Haringey community schools.

2. Look to see how many places each school has available. This is called the Published Admission Number (PAN).

The admission number for each school is listed under each school's entry in the Haringey schools A-Z.

3. Please use Haringey's online Distance Calculator to find your home to school distance measurement.

If you are a Haringey resident then you can use the online tool to find out your home to school distance. Please note that this tool will only work for Haringey schools.

If you are applying to schools outside Haringey you will need to contact the borough where the school is located for your home to school distance measurement.

If you live outside Haringey and you would like to find out your home to school distance measurement for a Haringey school then please email your distance request to schooladmissions@haringey.gov.uk

See how the oversubscription criteria were applied last year, including the distance of the last child offered a place at a particular Haringey School.

Please remember that although this information can be used to give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school.

4. Visit schools.

Please contact each school directly to arrange a visit.

5. Read Ofsted reports.

You can view reports at www.ofsted.gov.uk

Applying for a School Place

6. Consider how your child will travel to school

Safe travel should be considered. Parents are encouraged to practice the route to school before the start of term.

Do: Talk to your child about the decision

Don't: Let others influence your decision – the right school for your friend's child may not be the right school for your child.

Myth busters

- **Myth:** My child will automatically go into Reception because they attend the nursery.

There is no automatic progression into Reception class for children currently attending the nursery at a school. Please apply online for a Reception place.

- **Myth:** Children in my road go to the school so my child will too.

The number of pupils offered under each criterion at each school can change every year so just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.

- **Myth:** Listing one school will mean that you will have to offer me that school.

If you list only one school and your child cannot be offered a place under the school's admission arrangements, we will offer the nearest school to your home address with a vacancy.

- **Myth:** I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

Although the information listed in the oversubscription criteria table can give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We cannot guarantee any child will be offered a place at any school.

- **Myth:** My child has a right to be given one of our school choices.

The schools you list on your application form are not choices but preferences. Each school preference will be processed in accordance with the school's admission arrangements and the highest possible preference will be offered. When we are unable to offer any school listed on your application, we will allocate the nearest school to your home address with an available place.

- **Myth:** It does not matter if my form is late.

If you apply after 15 January 2026, we will look at your application after all those that applied on time and it is very unlikely that you will be offered one of your preferred schools.

- **Myth:** If I apply to a school in another borough, their residents will have priority over me.

An admissions authority cannot give priority to its own residents and published admissions criteria cannot include the borough of residence. Haringey cannot and does not discriminate between applicants who live in the borough and those who do not.

- **Myth:** I have an older child already at the school so I do not need to apply.

Applying for a School Place

Even if you have another child at the school, without an application you will not be considered. We consider there is no link between the nursery and the main school. Children with a sibling in the nursery will not be considered under the sibling criterion for community schools. Also, some schools do not have a sibling criteria. Please look at the admissions criterion for the school you are applying for.

- **Myth:** Listing the same school six times will improve my chances of being offered a school.

Your child can only be considered once for a school and any duplicated preferences will be deleted.

- **Myth:** I can only apply for Haringey schools.

You can apply for both Haringey and non-Haringey schools by naming them on the Haringey application form.

Key information to consider

- Read the oversubscription criteria of all the schools you are applying for, found in the Haringey Schools A-Z .
- We recommend that you list six schools on your application form. This will maximise the possibility of your child being offered a school you would like them to go to.
- The schools can be in Haringey or elsewhere.
- List the schools in the order you most prefer them.
- Do not list any private fee-paying schools on the form.
- You must check if any of the schools you are applying for require a Supplementary Information Form (SIF) to be completed. We have clearly shown in the Haringey Schools A-Z of this booklet which Haringey schools have a SIF. You will need to ask the school for the SIF.

Before you make your application

- Before starting your application please ensure you have a valid email address.
- Apply online from 1 September 2025 at **www.eadmissions.org.uk**
- Please read all the information on our **School Admissions page** before applying
- Once selected, you will be taken to the eAdmissions website hosted by the London Grid for Learning
- Before you make your online application you must register with the London Grid for Learning website.

Register to apply online

If you do not already have an existing account, select 'Register to apply select 'Register to apply online' or 'Create a new account'.

1. Enter your name and contact details, then click Next.
2. Select your home address. You may need to scroll down on the address list as it is not always displayed in numerical order. Then click Next.

Applying for a School Place

3. Create a password for your account. It must be between 6 and 16 characters long. Then click Next.
4. Complete the answers to 3 security questions, then click Next.
5. Your account has now been created. Make a note of your password and username, then click where it says 'Click here to continue your eAdmissions application'
6. Log in to the eAdmissions website to start your child's application.
7. You will be sent a validation email after you login to the eAdmissions website. **You MUST click the link in this email to validate your account.** If you do not validate your account then you will not be able to make an application for your child

Confirm your personal details

1. Visit your email account and click the link in the email which has been sent to you to validate your account. If you do not validate your account then you will not be able to continue with your application.
2. Log in to the eAdmissions site to create your application.
3. Check that all the information you have provided is correct. Click 'Change Details' to make any changes.

Please ensure the address you provide is your child's permanent address. This will be checked against council records.

You may need to scroll down on the address list as it is not always displayed in numerical order.

If you are unable to locate your address do not use an address which is not your own. Instead, please call 020 8489 1000 or email schooladmissions@haringey.gov.uk.

For more information about addresses, see Frequently Asked Questions

Starting your application

- On the Home page click Start Application

Entering your child's details

- Make sure you enter the information accurately.
- Make sure you only apply for a child born between 1 September 2021 - 31 August 2022 (Reception) or 1 September 2018 – 31 August 2019 (Junior).
- Parents with multiple birth children must complete a separate application form for each child. See Frequently Asked Questions
- Click '**Save and Continue**' to continue with your application.

Checking your child's details

1. Check that the information you have entered is correct.

Applying for a School Place

2. If you need to make a change, click Change details
3. If all the details are correct click 'Save and Continue' to continue with your application.

Adding your school preferences

1. Click Add School
2. You can find schools using a list of schools in each borough, or a map, or using keywords
3. To find schools in a list, select the Local Authority the school is located in (e.g. Haringey).
4. Select and add the school you wish to apply for. You can apply for up to six schools
5. For each school selected, you will be asked a series of questions (such as whether there is a sibling at the school or if you wish to apply under the social/medical criterion).
6. For each school you select, make sure that you have read the school's admission criteria. This will act as a guide as to the likelihood of being offered a place at your preferred school.
7. Click Add School to add more preferences
8. Click Confirm Selection to continue with your application
9. For more information see Frequently Asked Questions

Submitting your application

1. Check that all of your details are correct.
2. Read the declaration and tick the box to accept it.
3. Click the Submit application button.
4. Your application has now been submitted. Click Upload documents to upload your documents.
5. You will receive an email confirmation with your Application Reference Number:
309-2026-E-XXXXX
6. If you do not receive an email confirmation with your Application Reference Number contact us to check if your application has been submitted correctly.

Don't forget!

You must click the submit button by the closing date of 15 January 2026. If you do not do this, your application will not be processed.

Applying for a School Place

Fraudulent Applications

Haringey Council takes any attempt to obtain a school place through fraudulent means very seriously. We reserve the right to undertake checks to verify any information provided on your application form. If we find out that a school place was obtained using a false or misleading address, we will withdraw the offer and give it to the child who was entitled to the place.

We consider that every school place obtained by deception is unfair, as other children are being deliberately denied their legitimate claim to take up that place. Rigorous checks will be carried out to ensure that applications are not fraudulent.

We carry out random checks on a number of applications and we reserve the right to carry out home visits to the address used on an application form.

We will also ask the new school to check the child's home address at the time of admission. If it is different from the address on the application form, we will check whether the previous address was a temporary address, used for the purposes described above.

If the place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

If you suspect someone intends to use, or has used, a false address to obtain a school place, please complete the **fraudulent address referral e-form** on the Haringey website.

Alternatively, you may wish to email fraudcall@haringey.gov.uk in confidence. You may also wish to write to schooladmissions@haringey.gov.uk. All cases will be investigated.

If we find that a place has been obtained using fraudulent information, there will be no sibling connection available to subsequent children from that family. We may also withdraw the place even after your child has started school.

More information on how and the reasons why we investigate suspicious applications is available online in our address of convenience protocol.

What happens if my application is being investigated?

If you receive an Address of Convenience form asking you to complete the relevant sections and to provide supporting documentation please do not be alarmed and read all the information enclosed carefully. You must ensure that you provide all the required evidence you wish to submit in support of your application as this evidence will be crucial in deciding which address we will use for the purpose of your school application.

Your evidence will only be considered once before National Offer Day and any further evidence will not be looked at until after national offer day.

First panel meeting – January 2026

All the relevant evidence you submit will be considered by the relevant admission authority before national offer day in January 2026.

Second panel meeting – April 2026

Applying for a School Place

Any new applications under investigation or further evidence not considered because it was supplied after the January deadline will be looked at in April 2026.

The decision made by the relevant admission authority on which address to use for the purpose of your school application will be final.

Withdrawing places even after your child has started school

Your school and Haringey will revisit all cases investigated to ensure that your child is still living at the address supplied on your application. We reserve the right to withdraw your child's school place even after your child has started school.

Applying for a School Place

Frequently Asked Questions

What is a 'main residence'?

The address you provide must be your child's only or main residence on the closing date of the application. A child's home address is defined as the child's only or main residence, and excludes any business, relative's or child-minders address (other than the normal residence of the child's primary carer).

Parents are not permitted to use a temporary address to secure a school place for their child. A business address, a childminder's address or any address including a family member's address other than the child's only or main residence will not be accepted. Proofs of address will be sought in all cases and if there is any doubt about the validity of the address given the application will be the subject of further investigation.

What evidence do I need of my address?

You will need to attach a copy of TWO of the following documents to your application. All documents should be in the applicant's name.

Choose ONE from SECTION A and ONE from SECTION B.

If you are unable to provide this then attach TWO documents from SECTION B.

Section A	Section B
• Current Council Tax Statement or Council Tax Reference Number • Mortgage account statement • Tenancy agreement arranged through a letting/estate agent (must be stamped or on headed paper) • Letter from the National Asylum Support Service (NASS) or UK Border Authority (UKBA) • Letter from any other local or national housing organisation (on headed paper) • Solicitors letter confirming that the completion on a property has taken place	• Recent utility bill e.g. Electricity, gas, phone (within last 3 months), water (annual statement) • Tax credit documentation • Benefit documentation • Child Benefit letter or other official government documents

Do you accept temporary address?

We will not accept a temporary address if you still possess a property that was previously used as a home address, nor will we accept a temporary address if it is used solely or mainly to obtain a school place. If you own a property but are living at and apply from a different address, the council will consider that the second address is temporary and that the property you own is where

Applying for a School Place

the child normally lives. Where the owned property is being renovated, this will still be considered the child's only or main residence.

Evidence will otherwise be required that the property has been disposed of. If a family own more than one property, the council will request further evidence to demonstrate where the family normally live to determine the address we will use for the child's application.

What if my child lives at two addresses?

If parents are separated, the application should be made by the parent the child normally lives with. Where a child spends equal time during the school week with each parent, the exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application.

If there is no court order governing whom the child is to live with and when they are to live with those persons, then the address at which any Child Benefit is claimed, or the address at which the child is registered with a GP will be considered.

It is the parents' responsibility to agree between themselves and make clear which address will be used and to provide supporting evidence in respect of that address. Your application for a school place can only be processed from one address. The final decision about which address is to be used for admission purposes rests with the admission authority.

What if I change my address after applying?

We can only accept changes of address once they have taken place. We will not be able to process your application from an intended address. Notice of an actual change of address must be provided to the Haringey Admissions team in writing with the appropriate evidence.

If you move address, please let us know immediately and provide the evidence set out above. If you do not tell us about a move, or about a declared house move that has failed to take place, we may withdraw your application or any offer of a school place we have made.

All changes of address will be thoroughly investigated and for a change of address to be taken into account for your admission application, you must have taken up residence before 12 February 2026. If we receive the required proof of address on or before the 12 February 2026, then we will be able to use your new address to measure your home to school distances.

If we receive the information after the 12 February 2026 we will not be able to update your home to school distances until after 16 April 2026 (national offer day).

What if my child is a Looked After or previously Looked After child?

Please let us know if your child is in care to a Local Authority or previously looked after. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

Please indicate on your application form if your child is looked after or previously looked after.

Where a child is in care we will need a letter from your child's social worker or Local Authority to confirm this.

Where a child is previously looked after we will need a copy of the adoption, child arrangements or special guardianship order and documents or a letter showing your child was previously in

Applying for a School Place

care. The definition of previously looked after children includes children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Documentary evidence of adoption and that your child was previously looked after will be required in line with the information set out in the [DfE guidance](#).

For your application to be considered under the looked after or previously looked after criterion please make sure you provide all the evidence outlined above. If you do not provide this information your application may not be considered under this criterion. **It is your responsibility to provide all the relevant evidence and to arrange for a letter to be sent to us from the social worker, adoption agency or other organization that has been involved with your child,**

What is an exceptional social/medical reason?

All schools in Haringey have experience in dealing with children with diverse social and medical needs.

However, there may be exceptional cases where there are compelling reasons why a child needs to attend one specific school.

For your application to be considered under the exceptional social medical criterion you must provide written evidence from a doctor, social worker or other independent professional. In each case, the connection between your child's need and the specific school must be made and you must clearly demonstrate why this one specific school can meet your child's needs in a way that no other school can.

Evidence relating to the exceptional social or medical circumstances of the parent can be considered, but only if this impacts on the child and their need to attend one specific school.

Please ensure that you submit all relevant information, including professional evidence with your application for a school place. A panel of officers will determine whether the evidence provided is sufficiently compelling to meet the above requirements. You will be notified of the panel's decision in writing and the letter will indicate what criterion we will use to process your application.

Please provide evidence by the application deadline of 15 January 2026. Any evidence submitted following the application deadline will not be considered until after 16 April 2026.

Priority under this criterion can only be given for one specific school but we still recommend that you do list 6 schools on your application form to maximize your chances of securing one of your preferences. We may have to share the information you have provided with the offered school.

What is defined as a 'sibling'?

If your child has a brother or sister already attending any of the schools, you must tell us this in your application and give the relevant details. In Haringey a sibling is defined as a full brother or sister, a step/half brother or sister, a foster brother or sister or an adopted brother or sister living at the same address as the child for whom the application is being made. The term does not include cousins or any other family member.

For community schools, priority under the sibling criterion will only be given to children with a sibling attending the school or linked infant/junior school and who will still be attending on the date of admission. It does not apply to children with a sibling attending the school nursery. Full

Applying for a School Place

details on the sibling criterion for other types of schools can be found under each of the individual schools in Haringey Schools A-Z.

For your application to be considered under the sibling criterion please make sure you include the details of any brothers or sisters who are already attending the school. If you don't tell us you may lose out on the sibling connection.

What is a 'distance criterion'?

The vast majority of school places in Haringey are offered under the distance criterion. Haringey measures distance in a straight line from the Ordnance Survey address point of the child's home address to the Ordnance Survey address point of the school, calculated using a computerised mapping system. Where applicants have identical distance measurements, priority will be determined at random using the Haringey computerised mapping system.

There are a number of websites that calculate distances to and from different addresses. The measurements on these websites can only serve as a guide and will provide approximate distances.

Haringey does not use these websites to calculate distances in relation to offering school places.

If you are a Haringey resident, then you can use the Haringey online distance measurement tool to find out your home to school distance.

This tool only works if you would like your home to school distance measurement for a Haringey school.

If you are applying for a school outside Haringey, please contact the borough where the school is located for your home to school distance measurement.

Contact details for our neighbouring boroughs can be found in Additional Information.

We do not provide measurements to an intended or temporary address; please provide your child's only or main address when making your request.

See how the Oversubscription Criteria were applied last year, including the distance of the last child offered a place at a particular Haringey school. This information can be used to give you an idea of how likely it is that your child will be offered a place at your preferred school. The furthest distance changes every year, and we can never guarantee that any child will be offered a place at any school.

Start your home to school distance measurement here: www.haringey.gov.uk/distance

What if I have twins or triplets (multiple birth children)?

Parents with multiple birth children must complete a separate application form for each child. If only one place is available at a community school and the child who qualifies for that place is one of multiple birth, we will ask the school to go over their published admission number.

If this happens at an academy, foundation, voluntary aided or free school the council will ask the governing body of the school if an additional place can be offered, but the decision will rest with the governing body.

Applying for a School Place

Please ensure that you tick the multiple birth box on each application and check the order and list of preferences for both children prior to submitting the application.

The multiple birth rule does not apply to siblings that fall under different criteria, unless they are the next child to be offered and the school is not already over their Published Admission Number. For example, if only one twin has an EHCP naming a school, there is no automatic right for the child without an EHCP to attend the same school unless they are at the top of the waiting list, and the school is not over their Published Admission Number.

Can I apply if my child lives overseas?

If you have a property in the UK, you should contact the local authority for that address for more information. If you do not have a UK property, you should contact the local authority where your preferred school is located for more information.

You must apply by the deadline and provide information about where you are living outside of the UK, and when you intend to return/arrive. You may be asked for evidence of your intention to return to/enter the UK.

We will consider the application based on your child's address overseas and any subsequent change will be considered in line with our change of address policy. For more information on our change of address policy, see our Frequently Asked Questions.

A United Kingdom address will only be used once your child is residing at that address, and evidence will be required of this. We will not accept an intended UK address even if you own the property.

It is your responsibility to notify Haringey once your child is resident in the UK.

Can I apply as a Member of the Armed Forces or Crown Servant?

Members of the Armed Forces and Crown Servants with automatic right of entry to the UK, who are able to provide evidence of their relocation, may apply for a school place ahead of a move. An application can be made as soon as confirmation of the relocation is available.

For Armed Forces applications we will use the unit posting address when considering the application. For Crown Servants a UK address can only be used if there is evidence of the address the child is returning to. There is no guarantee that a place will be available at a preferred school; each application will be considered in accordance with the school's admissions criteria.

What if I make more than one application?

Parents can only submit one application. If two or more applications are submitted, we will process the latest dated application and any earlier ones will be disregarded.

What if I submit my application late?

Applications received after 15 January 2026 will be classed as late. Late applications will be considered after all the other applications that were received on time.

If there are exceptional circumstances why your application was received after the deadline, please provide independent written evidence by 12 February 2026 (from someone who is

Applying for a School Place

impartial) explaining why the application was late. This information will be considered by a panel and we will let you know if your application will be processed as late or 'on time'.

Late applicants are very unlikely to be offered one of their preferred schools.

Can I change my preference before the application deadline?

If you have applied online you can make changes up until the closing date by returning to the online e-admissions website and editing your application. You must re-submit your application each time you edit your application online.

If you send in a paper application before 15 January 2026 and then decide to make changes, you can still do this as long as we receive written requests by 15 January 2026.

Changes requested over the telephone will not be accepted. Preferences cannot be changed after 15 January 2026 unless you move to a new permanent address and you will need to let us know and provide the relevant proofs by 12 February 2026.

How will you process my application?

Each school you list is considered at exactly the same time. This includes schools in Haringey and schools located in other boroughs.

The published admissions criteria (also called admission rules or admission arrangements) will be applied to every school you list.

- Our computer system works out who can be offered a place at Haringey community schools. See The Admissions Criteria for Haringey community schools.
- The governors of academies, foundation, voluntary aided and free schools apply their criteria to all their applicants and let us know who should be offered a place.
- Other boroughs apply their criteria and let us know which Haringey residents can be offered places at their schools.

Each school has a set number of places that can be offered (the published admission number) and places are offered until the school is full or there are no more applicants for that school.

If a child can be offered more than one place then the highest possible preference will be offered.

Places are offered in accordance with the schools' admissions criteria and your child may qualify for more than one school. Please see Table A below. Please therefore list your schools in the order you prefer them. This is very important because only one offer will be made and this will be for the highest preference school for which your child has qualified under the admission criteria.

Summary of application process

1. Application received
2. Criteria applied to each preference
3. Places are offered up to the Admissions Number at each school
4. Highest possible preference offered to each child

What happens if my child is not offered one of my preferred schools?

Applying for a School Place

Sometimes we cannot offer any school listed because in every case other applicants met the admissions criteria better than your child did. For example, other applicants lived closer to the school.

If this happens we will offer a place at the nearest school with an available place. With the governors' agreement, it may be possible to allocate places at academies, foundation, voluntary aided and free schools, if there are any available.

Table A

Preference	School List	Does my child qualify for this school?	Which school is offered
1	School A	No	
2	School B	Yes	Offered
3	School C	No	
4	School D	Yes	
5	School E	No	
6	School F	No	

The place at school D would be offered to the next child who best meets the admissions criteria.

Applying for a School Place

Can my child start later in the school year?

A child's chronological age group is the normal year group they should attend in a UK school, based solely on their date of birth.

Deferred entry - before compulsory school age

Children will normally be admitted to the reception year in the September following their fourth birthday. In line with the School Admissions Code (2021), parents can defer their child's entry to the reception year until later in the school year, where they have been offered a place at a school to start before they are of compulsory school age.

Where entry is deferred, the school will hold the place for that child and not offer it to another child. However, entry cannot be deferred beyond the point the child reaches compulsory school age nor beyond the beginning of the final term of the Reception Year.

Parents can also request that their child attends parttime until he/she reaches compulsory school age.

Summer born (delayed entry) - Children educated outside their chronological age group

Paragraph 2.17 of the School Admissions Code (2021) states that the parents of a summer born child may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Haringey Council, as the admission authority for Haringey community and voluntary controlled (VC) schools will consider all requests for a child to be educated out of year group and will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned.

This will include taking account of the child's individual needs and abilities and to consider whether these can best be met in reception or year one. It will also involve taking account of:

- parents' views
- information about the child's academic, social and emotional development
- the child's medical history, where relevant, and the views of a medical professional
- whether they have previously been educated out of their normal age group
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely, and
- the potential impact on the child of being admitted to year one without first having completed the reception year.

The views of the head teacher will be an important part of this consideration.

What do you need to do?

If your child attends a nursery then it is recommended you speak with the early year's coordinator at your child's nursery.

Applying for a School Place

Parents should then complete an application for their child's actual year group and write to the School Admissions Service with their request. In all cases, please email your request with the words 'summer born' in the subject line to **schooladmissions@haringey.gov.uk**

Next steps

Please accept the school your child has been offered on the 16 April and contact the headteacher of the school concerned to discuss all your options. If after this you still feel it is in the best interest of your child to start Reception a year later then please confirm this in an email to us.

For Community and Voluntary Controlled (VC) schools, a panel of officers will meet to consider all summer born requests and will inform you of the outcome as soon as possible.

Similarly, if you would like to request deferred entry for an own admission authority school (Voluntary Aided, Foundation, Free School or Academy) you will be expected to contact these schools direct for the next steps. If you are unsure about the type of school you are applying for, please see the Schools Section in this document. For these schools, a panel of Governors will be responsible for considering your request after national offer day (see below paragraph for further information).

The relevant panel will take into account the views of the headteacher. It would be helpful if you could please set out in your email if you have liaised with staff at the school and whether they are supportive of your request.

Your place can later be withdrawn if your request is approved by the panel. Parents who are granted their request will be asked to make a fresh application from September 2026, which will be considered in accordance with the school's oversubscription criteria. There is no guarantee that your child will then be offered the same school which they were offered previously, so please think carefully before giving up your place for September 2026.

Academies, free schools, foundation and voluntary aided schools

The local authority is the admission authority for Haringey community and St Aidan's voluntary controlled schools only. If you have been offered a place at an academy, free school, foundation, or voluntary aided school then please contact the school directly for the next steps. The governors of these schools are responsible for considering requests for children to start Reception outside their normal age group.

Right of appeal

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. However, this right does not apply if your child is offered a place at the school but it is not in your preferred age group.

Applying for a School Place

The results of your application

Online applicants will NOT receive an offer letter on 16 April 2026. You will receive an email notification and you will be directed to our website to view your letter. Waiting list information and the information on your right of appeal set out below will be included in this email.

Date	What will happen?
16 April 2026	Applicants will receive notification of their offer in an email.
30 April 2026	Acceptance Deadline – applicants should accept their offer online

Accepting the offer

Please accept your offer online by 30 April 2026. If you do not accept your offer, you will be asked what arrangements you are making for your child's education in September. Please email schooladmissions@haringey.gov.uk with any further questions regarding your offer.

Remember that the offer you receive will be either:

1. The highest preference school your child qualified for (offer)
2. The nearest school with an available place (allocation)

Accepting the offer will not influence your waiting list position or appeal outcome.

Please note we will not give out any offer information over the phone.

You must contact your home Local Authority to accept or refuse a school place. Please do not only respond directly to schools.

Waiting lists

If we cannot offer you your first preference school, your child's name will automatically be added to the waiting list for any schools on your form listed higher than the school you have been offered. Waiting lists are ordered strictly in accordance with the school's admissions criteria.

Waiting list positions can change at any time depending on other applicants' circumstances and it is important to note that your child's position may go down as well as up if other applicants join the waiting list.

Waiting lists are renewed each academic year and we will write to you to ask you to complete a new application form if you would like your child to be placed back on school waiting lists. If you would like your child to remain on the waiting list for any outborough schools, please contact the borough the school is located in for more information.

School admission appeals

Applying for a School Place

If your child is not offered a place at one of the schools you listed on your form you can appeal against this decision to an independent appeal panel. You will be given details of how to make an appeal in your offer letter. The deadline to appeal is 18 May 2026.

Appeals are heard by an independent appeal panel of three members of the public. You can only make one appeal for each school listed on your form. If you did not get a place at more than one school you listed on your application, you can make a separate appeal for each school.

Please note: By law children cannot be taught in classes of more than 30 in Key Stage 1 (Reception, Year 1 and Year 2). Where a child has been refused admission to a school because the class has reached its limit of 30, an appeal panel can only offer a place to a child where:

- It finds that the admission of additional children would not breach the infant class size limit; or
- It finds that the admissions arrangements did not comply with admissions law or were not correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- It decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Please be aware that if one of these schools is a voluntary aided school, an academy or a free school you have to appeal to the school directly as they are responsible for organising their own appeals.

When you indicate your wish to appeal for a Reception or Junior place you will be contacted by the Appeals Administrator 10 days before the hearing to confirm the date. Further details of the appeals timetable will be published on our website by 28 February 2026.

You are able to submit additional evidence or documentation that might be relevant to your appeal. Please submit any evidence as soon as possible and before the hearing. This is so that all the other participants have time to read your information. Where possible, appeals for late applications will be included with those being heard for the same admissions round. However, if this is not possible, appeals for late applications will be heard during the 2026 autumn term.

Types of schools in Haringey

We co-ordinate applications for all schools in Haringey. Brief definitions of the types of schools in Haringey are given below along with information about how the admission arrangements are set and applied for each school.

Community Schools (COM)

Haringey Council set and apply the admission arrangements for community schools.

Foundation Schools (F)

A foundation school is a state funded school. The governors of the school set and apply the admission arrangements. Land and buildings are usually owned by the governing body or a charitable foundation.

Academies (ACA)

Academies are publicly funded independent schools. The governors of the school set and apply the admissions arrangements.

Free Schools (FREE)

Free schools are non-profit making, independent, state-funded schools. The governors of the school set and apply the admission arrangements.

Voluntary Controlled Schools (VC)

Voluntary controlled (VC) schools are state-funded schools in which a foundation or trust (usually a Christian denomination) has some formal influence in the running of the school. Haringey Council set and apply the admission arrangements for voluntary controlled schools.

Voluntary Aided Schools (VA)

Voluntary-aided (VA) schools operate under foundations (usually trusts, which are often the Church Diocesan Boards). Most are designated with a religious character. The governors of the school set and apply the admission arrangements. These schools require you to complete a Supplementary Information Form (SIF).

Admissions criteria for Haringey community and voluntary controlled schools

If we receive more applications than spaces available at Haringey community schools then we will apply the following admissions criteria.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Children in Care/ Looked After Children

Children who are looked after by a local authority or were previously looked after but immediately after being looked after, became subject to an adoption, child arrangements, or special guardianship order, including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. Exceptional Social Medical

Children who the Authority accepts have an exceptional medical or social need for a place at one specific school. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child.

3. Linked school

This rule applies only to junior school admissions. Applicants attending an infant school will be prioritised under this rule for admission to the linked junior school. The Linked infant and junior schools in Haringey normally share the same names (e.g. Rokesly Infant School is linked to Rokesly Junior School)

4. Brother or Sister (sibling)

Children with a brother or sister already attending the school or linked infant/junior school and who will still be attending on the date of admission.

If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

4. Children of staff

Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage.

5. Distance

Haringey Schools

Children whose home address is closest to the preferred school. Distance will be measured in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system.

Tie breakers

Children cannot be considered under more than one criterion. Within each criterion the sole tiebreaker to decide between two applications is children whose home address is closest to the school, measured in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system.

The tiebreaker for two or more applications whose home address is exactly the same distance from the school (and who are not from multiple births) will be random allocation using a computerised system. The random allocation process will be supervised by an independent body.

Multiple births

If only one place is available and the next child to be offered is from a multiple birth, we will ask community schools to go over their published admission number.

Notes

- Home address is defined as the child's only or main residence. A business address, a childminder's address or any address including a family member's address other than the child's only or main residence will not be accepted.
- If parents are separated, the application should be made by the parent the child normally lives with. Where a child spends equal time during the school week with each parent, the exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application. It is the parents' responsibility to agree between themselves and make clear which address will be used and to provide supporting evidence in respect of that address. An application can only be processed from one address. The final decision about which address is to be used rests with Haringey Council.
- Previously looked after children include those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
- A sibling is a full brother or sister, a step/half brother or sister, a foster brother or sister or an adopted brother or sister living at the same address as the child for whom the application is being made.
- Priority for children of teaching staff will be limited to one place for each form of entry in any year. Exception to this will apply to children of multiple birth or those born in the same academic year. All such applications must be submitted to the local authority and must be accompanied with the relevant paperwork supporting an application on these grounds. The applicant must take sole responsibility to provide such paperwork. Without the provision of the relevant papers, priority will not be given on these grounds.

Haringey Schools

- Haringey measures distance in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system. Measurements by alternative systems or to other points will not be taken into account in any circumstances. Where applicants have identical distance measurements, priority amongst them will be determined at random using a computerised system.

Additional information

In-Year Admissions

Admissions to schools at other times

Applications for a school place at any other time than transferring to secondary schools are called 'In-year' admissions. To apply for a Haringey school, please complete [our online in-year-form](#). Supplementary Information Forms (SIFs), required by some schools, will be available directly from the schools. These schools will use the information on the SIFs to apply their admissions criteria. See the Admissions Criteria for Haringey community schools.

If you would like to apply for a school outside Haringey, please contact the borough the school is located in for details on how to apply. Please note, this is different from the process for applying to start Reception or transfer to a Junior school.

Waiting lists

If the school you are interested in has a vacancy in your child's year group we will be able to offer a place. If there are no places, your child's name can be added to the waiting list. If a place becomes available at a school, all the children on the waiting list are considered and the place is offered in accordance with the school's admissions criteria. Waiting lists for community schools will be held in the order of the admissions criteria.

School admission appeals

If your child is not offered a place at one of the schools you listed on your form you can appeal against this decision to an independent appeal panel. See the Schools Admissions Appeals section. Please note for applications for in year admissions there is no appeal deadline. Appeals will be heard within 30 school days of the appeal being lodged.

Requests to transfer between schools

If you have moved into the local area, your child can join a school in the appropriate year group for their age. Moving your child from one primary or secondary school to another (also known as an in-year move) is a big decision for you and for your child. If you're not moving address and would like to change your child's school, you should consider the following before you make your decision:

1. Why are you moving your child and can you resolve any concerns you have with the school or with your child without changing school?
2. How will your child cope with learning new rules and having to do things differently, or possibly having missed important work? Children who transfer schools after their exam subjects have been chosen in Year 9 may find that they can't do the same subjects, or that the exam board and courses are different.
3. If your child has brothers or sisters at the same school, transferring one child may affect his or her sibling(s).
4. Will it be difficult for you to have children attending different schools, for example with drop off at the beginning of the day or pick up in the afternoon, or because the schools have different term dates?

You also need to bear in mind that most schools in Haringey are full and we may not be able to offer you the school that you want straight away or indeed at all.

Additional information

To make sure that you are taking the decision in the best interests of your child we recommend that you sit down with your child and ask them whether or not they want to move to another school. If they tell you that they are being bullied or not getting on with other pupils, you should speak to your child's Form Tutor or Head of Year first, to resolve any problems your child may be having.

If you've done this and still have concerns, or are unhappy about the way the school is dealing with your concerns, you should make an appointment to speak to the Head teacher of the school. Please remember, a decision to move a child from one school to another should not be taken without careful consideration.

Harris Federation

If you are interested in applying for one of the Harris schools listed below, an application will be available from the school's website. If you select a Harris school on your Haringey in-year e-form you will be advised that you must also complete the school's own application form, available on their website.

- Harris Primary Academy Coleraine Park (ACA)
- Harris Primary Academy Phillip Lane (ACA)

Fair access

We have a protocol in place which ensures that vulnerable young people who apply for a place outside the normal round of admissions, and who are not on the roll of a school, are offered a place quickly. Fair Access admissions are shared fairly across all schools and Academies. Further information is available on our website: www.haringey.gov.uk/schooladmissions

Information about these is available at www.haringey.gov.uk/childrenscentres

Department for Education (DfE)

The government department responsible for schools and education.

Tel: 0370 000 2288

Website: www.education.gov.uk

Education Welfare Service

The Education Welfare Service (EWS) works in partnership with schools, agencies, and families. Our aim is to provide schools with support to understand the barriers to attendance, provide guidance on best practice and address concerns.

Education Welfare Officers (EWO) work closely with families by addressing issues affecting attendance through home visits and meetings, offering resources and referrals to other support services to improve school attendance and maximise pupil's opportunity to achieve and attain.

All Haringey schools receive a core attendance offer via an allocated Education Welfare Officer. Schools can request additional attendance related services to improve overall and individual pupil attendance, our Education Welfare Officers are highly trained and experienced professionals in delivering strategic advice, pastoral support, casework, and planning.

Additional information

The Education Welfare Service may consider statutory intervention, where appropriate, this includes the issuing of penalty notices and/or prosecution.

Beyond attendance, the EWS works collaboratively with safeguarding partners to protect children at risk of harm. We help create safe, supportive environments where children can thrive academically and socially.

Free school meals and clothing grants

Your child may be able to get free school meals and a one-off clothing grant. Please visit our website for further information: www.haringey.gov.uk/freeschoolmeals

Independent (private fee paying) schools

Now called the Independent Schools Council Information and Advice Service (ISCias) this provides information and advice for parents interested in an independent school education for their children.

Tel: 020 7766 7070

Website: www.isc.co.uk

Local Government Ombudsman (LGO)

The Local Government Ombudsman looks at complaints about councils and some other authorities, including education admissions appeal panels. Their job is to investigate complaints in a fair and independent way - they do not take sides. If you have a problem with a council service, you should first complain to the council, but if you are still not satisfied, they may be able to help.

Tel: 0300 061 0614

Website: www.lgo.org.uk

Ofsted

Ofsted inspect and report on standards of schools and childminders. Reports can be viewed online at www.ofsted.gov.uk

Email: enquiries@ofsted.gov.uk

Private fostering

If a child is living with someone outside their family, this is what is known as a private fostering arrangement.

- **Do you know what private fostering is?**

Private fostering is when a child under the age of 16 (or 18 if disabled) is cared for by someone who is not their parent or a 'close relative'. This is a private arrangement made between a parent and a carer, for 28 days or more. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts (whether of full blood, half blood or marriage/affinity). It is a legal requirement that you contact Haringey Council on 020 8489 4470 or email mashreferral@haringey.gov.uk

Additional information

- **Do you know about the duty to notify?**

There is a duty on the part of parents and carers entering into private fostering arrangements to notify the council. This is in order to safeguard and protect the child's welfare as well as ensuring that the child, carer and parent are receiving appropriate support and help.

If you know or suspect that a child is being cared for by someone outside their family please call us on 020 8489 4470 or email mashreferral@haringey.gov.uk

Data Protection Act

Haringey Council will handle the information you have provided in line with the provisions of the Data Protection Act. Any personal information will be held in confidence with only the necessary people able to see or use it. Under the Data Protection Act you have the right to make a formal request in writing for access to personal data held about you or your child.

Haringey has a duty under the Children's Act 2004 to work with partners to provide and improve services to children and young people in the area. Therefore Haringey may also use this information for other legitimate purposes and may share this information where necessary with other bodies responsible for administering services to children and young people. Haringey also has a duty to protect the public funds it administers, and to this end it may use the information you have provided on this form for the prevention and detection of fraud.
