

PETITION FOR DRAFT LOCAL PLAN PROPOSAL SA63

25th March 2015

Dear Sir/Madam

We the undersigned, urge Haringey Council to reconsider and reverse their decision that we object strongly to the draft Local Plan proposal SA63 for demolition and development zone covering Broadwater Farm, Somerset Close, Lido Square, Moira Close, some houses along Lordship Lane and the northern part of Lordship Recreation Ground, including the sports field.

The proposal would cause massive stress to all concerned, displacement and disruption for years, and undermine all the successful efforts over decades to build a strong and stable local community and to improve local facilities. You should take into account that people at Somerset Close are mainly ethnic minority people where they all happily settled over 21 years. We all witnessed our children grew up together some had married and had their children. It breaches a whole range of planning policies which should aim to protect our community.

It is unacceptable and should be withdrawn immediately. Instead the council must work with the community to protect, support and improve all the existing homes, estates, facilities and communities in the area. Furthermore some of the houses are brand new (20 years old), some of them renewed under council's development, windows, doors, bathrooms and kitchens are renewed.

Kind Regards
