

Play Street

Haringey
LONDON

at: _____

Dear Driver,

This is a friendly reminder that this section of:

_____ will be closed

to through traffic on _____ between _____

to _____ so that children can play, and residents can meet.

Would you consider moving your car to create more space? It is not compulsory, but we would be very grateful if you did!

Thanks in advance and hope to see you there.

Please Note: It will be possible for residents or visitors to access to the street by car during the session if necessary, but they must be escorted by marshals, at walking pace to and from the road closure points.
