FUN

Activities for
young people

Introduction

We want to reassure parents and young people that we are working closely with our providers to ensure the programme is as COVID-secure as possible. While we'll be doing everything in our power to keep your children and young people safe during these activity sessions, you can help us by making sure they wash their hands thoroughly for 20 seconds before leaving home and follow instructions when arriving at the venue. You should also keep up-to date with the Government's latest 'Attending out of school settings' guidance at:

www.gov.uk/government/publications/guidance-for-parents-and-carers-of-children-attending-out-of-school-settings-during-the-coronavirus-covid-19-outbreak

Please note that if local restrictions increase venues and activities may not run as advertised. Please contact the activity provider before attending to avoid disappointment.
