STATUTORY CONSULTATION: Proposed Introduction of Parking Controls in Rectory Gardens

Dear Resident or Business,

Last year we consulted residents in North Hornsey about parking. Many roads did not want parking controls but there was overwhelming support for parking controls in Rectory Gardens.

We therefore propose to introduce Hornsey North Controlled Parking Zone (CPZ) in Rectory Gardens to address the parking problems reported to us. The proposed operating periods will be Monday – Friday, 8 am – 6.30 pm. While we recognise that some residents would prefer controls to operate for a shorter time period, we do not believe that this would tackle parking-related issues associated with the primary school on Rectory Gardens, where the parking congestion is most problematic outside the school at drop-off and pick-up times. A 2 hour period in the middle of the day would not address this types of problem. Detailed information about CPZs can be found at: <http://www.haringey.gov.uk/parking-roads-and-travel/parking/controlled-parking-zones-cpzs>

Have your say

To enable any parking controls to be legally enforceable, we are required to carry out statutory consultation which is the legal part of the process and includes notices in the local press, London Gazette and within the area to inform of the Council's intentions. This notification letter marks the start of a 21-day consultation period during which we welcome your views, comments or objections. The closing date for receipt of views is 26 October 2018.

If you would like to make comments or objecting to the proposals, please email us at frontline.consultation@haringey.gov.uk If objecting, please include reasons.

Alternatively, you can write to us at the address below. Comments must be received no later than 26 October 2018 and your feedback will confirm whether residents would like to be included in the Hornsey North CPZ. All comments or objections will be considered before a decision is made. If a decision is made to go ahead with the parking controls, we will circulate details of when works will commence, when the CPZ will start, and how to apply for parking permits. Full information on parking permits can be found on the website.

Thank you for your attention.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'Ann Cunningham'.
