Community Consultation: Possible Controlled Parking Zone (CPZ) in the Seven Sisters and St Ann’s Areas

9 October 2018

Dear Resident or Business,

The Council has received a petition from a resident association and a number of requests for parking controls from residents in the local area. In response to this, the Council has decided to consult residents and business on the possible introduction of parking controls within the area shaded orange on the enclosed plan. Information on Controlled Parking Zones (CPZs) and permit charges is available on our website at: http://www.haringey.gov.uk/parking-roads-and-travel/parking/controlled-parking-zones-cpz

Have your say

Please take this opportunity to ‘have your say’ by completing the enclosed questionnaire and returning it in the freepost envelope provided by 31 October 2018. If preferred you can complete the questionnaire online at the ‘current parking consultations’ page of our website. If you have a device with a QR reader you can scan the QR code above to access the webpage.

Our Parking Design Team will study the consultation results in detail before recommending if parking controls should or should not be introduced. We will also analyze the responses on a road by road basis and it should be noted that if your road says no but adjacent roads say yes, your road could be excluded from a future scheme.

We can also inform you that parking surveys in the area, have identified parking problems throughout the day and if this consultation shows support for controls, it is recommended that the hours of operation should match those of adjacent CPZs (8am – 6.30pm). This would minimize the possibility of continued parking stress, and significantly improve parking opportunities for those living locally.

Your feedback will inform us if there is demand for a CPZ and so it is very important that you respond to this consultation by 31 October 2018. Consultation results will be published on the parking consultations page of our website.

If you have any questions, please email us at frontline.consultation@haringey.gov.uk

With thanks for your attention, we look forward to hearing your views.

Yours faithfully,

Operations: Traffic Management

Possible Parking Controls for Roads in St Ann’s and Seven Sisters

Q1 Please tell us the name of your road and house number. (House numbers will not be published, but we need the information for our analysis)

Q2 Are you responding as a: □ Resident □ Business

Q3 Is it difficult for you (or friends / family / services) to park in the road?
□ Yes □ No □ Sometimes

Q4 Does your property have a dropped kerb / driveway (for off road parking)?
□ Yes □ No

Q5 Which, if any of these parking problems affect your road (tick all that apply).
□ Multi-car households / HMOs □ Trade vans, campers
□ Commuter parking □ Displacement from nearby CPZs
□ Shop / business staff parking □ Too many driveways
□ Shop customers / visitors □ None of these problems

Q6 Do you think your road should be in a Controlled Parking Zone (CPZ)
□ Yes □ No □ Don’t know

Q7 If yes, what days do you think the CPZ should operate?
□ Mon-Fri 8am-6.30pm □ Mon-Sat 8am-6.30pm □ Mon-Sun (all week) 8am-6.30pm

Q8 If no (to Q6), would you reconsider if other roads wanted CPZ controls?
□ No, I would still not agree to a CPZ □ Yes, I would then reconsider

Q9 Comments and suggestions:

Please return your completed questionnaire in the freepost envelope provided. Frontline Consultation, River Park House, 225 High Road, Wood Green, London N22 8HQ
