Review of White Hart Lane Controlled Parking Zone (CPZ)

For attention of residents and businesses within the existing CPZ

Dear Resident or Business,

White Hart Lane standard operating days and times are Monday - Sunday 8am to 6.30pm. On event days the operating times are extended to 8.30pm Mon-Fri, and 8pm Sat-Sun.

To ensure parking controls in White Hart Lane remain effective in delivering improved parking conditions for the community, we are conducting a review of the CPZ and would like to hear your views on how the parking controls are working.

We welcome all views - not only from vehicle owners and drivers - on whether the CPZ has helped deliver improvements such as clearer visibility and safety for pedestrians. Equally we want to hear of any parking-related problems you think the CPZ has failed to deal with.

We will use the information you give us to consider if any changes are needed to ensure the CPZ remains responsive to the needs of the local community. Please help us by completing the questionnaire overleaf and then returning it to us in the attached freepost envelope. If you prefer to complete the questionnaire online, it is available on the *current parking consultations* page of our website. If you have a device with a QR reader you can scan the QR code above to access the web page

The closing date for receipt of views and comments is Friday 14 December 2018

We will discuss the feedback with your ward councillors and will publish results of the review on the website.

If you have any questions about the survey please email frontline.consultation@haringey.gov.uk

Thank you for your time and we look forward to receiving your questionnaire to us as soon as convenient; as your views are important to us.

Yours faithfully
