

**HARINGEY COUNCIL – PUBLIC NOTICE
PROPOSED AMENDMENTS TO ON STREET PARKING PERMITS AND CHARGES**

The Haringey (Controlled Parking Zones) (Amendment No. *) Order 201*

T12

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Haringey proposes to make the above mentioned Order under sections 45, 46 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended.
2. The general effect of the Order would be to:-
 - (a) vary the parking charges of on-street parking permits as set out in the Schedule below. The new tariff structure incorporates the CO₂ emission bands used by the DVLA and is intended to encourage people to travel more sustainably and for drivers to use more fuel efficient vehicles. This also introduces a 6 month permit option for residents and carers permits;
 - (b) discontinue the traders permit, which currently allow traders working at properties in CPZs to purchase daily or monthly trader permits. This would be replaced with a 'permission to park' dispensation. This new system would allow traders to apply for the dispensation online and the charge would be £20 per day. This dispensation could also be extended to other ad hoc situations where motorists legitimately require parking, but are not entitled or cannot satisfy requirements for other permits, for example house removals;
 - (c) amend the residents' visitors' parking permit scheme so that the permits would be limited to hourly and daily operation. This would remove the need for an upper limit on numbers that could be purchased and It is anticipated that those permits would be used within the year purchased and not stock piled for future years. Unused permits would therefore not be exchanged or refunded. It is also proposed that the charge for hourly permits would be increased to 80p per hour;
 - (d) increase the age at which residents may access the concessionary half price residents' visitors' permit scheme from 60 years to 65 years and over. There are no proposed changes to the concessionary scheme that applies to registered disabled residents;
 - (e) increase the administration charge for the processing of permits, refunds etc. from £11.70 to £11.80.

The table below sets out the current and proposed amendments for the above permits:-

Current offer	Charge and numbers of permits that could be purchased annually	Proposed Amendment	Charge
Daily VP	240 @ £3.50	Daily permits	£3.50
Weekend permit	12 @ £8.50	Discontinued	Discontinued
Two week permit	2 @ 13.70	Discontinued	Discontinued
2 hour permit	240 @ 70p or	Discontinued	Discontinued
1 hour permit	480 @ 35p	1 hour permit	80p
<i>Concessionary scheme; double the allocation of permits at 50% discount to residents who are registered disabled or aged 60 years and older.</i>		<i>Concessionary scheme; 50% reduction in charge to residents who are registered disabled or aged 65 years and older.</i>	

3. Copies of the proposed Order, and of the Council's statement of reasons for making the Order, may be inspected during normal office working hours until the end of a period of 6 weeks from the date on which the Order is made or the Council decides not to make the Order, at the reception desk, Alexandra House, 10 Station Road, Wood Green, N22 7TR or can be viewed online at www.haringey.gov.uk/traffic_orders.
4. Any person desiring to object to the proposed Order or make other representation should send a statement in writing of either their objection and the grounds thereof or of their representation to the Traffic Management Group, River Park House, 1st floor, 225, High Road, Wood Green, N22 8HQ or to traffic.orders@haringey.gov.uk within 21 days from the date of this Notice.
