## Review of Bruce Grove Controlled Parking Zone (CPZ)

Dear Resident or Business,

Bruce Grove CPZ operating days and times are Monday – Saturday 8am to 6.30pm.

We are currently reviewing the effectiveness the CPZs in your area and we would like your views on how the parking controls are working or whether you think any changes are needed.

Given that Bruce Grove CPZ consists of very few roads, we also propose to combine the zone with the neighbouring Bruce Grove North zone. In addition, several requests for this have been received from residents and local ward councillors. By combining the zones, we will remove any parking problems affecting residents in roads currently split between the two zones. Current operating days and times will not change but as Bruce Grove North has extended hours on match/event days; these would also apply in the combined zone.

We welcome all views, not just from drivers but from all road users including pedestrians, on how well the CPZ is performing. We also welcome all views on the proposed changes. to combine the zone with Brce Grove North and and have extended operating hours on match / event days. Equally we want to hear of any issues you think the CPZ has failed to deal with and / or if you think any chages are needed.

We will use the information you give us to consider if any changes are needed to ensure the CPZ remains responsive to the needs of the local community. Please 'have your say' by completing the questionnaire overleaf and then return it to us in the freepost envelope before the closing date of 20 March 2019. If you prefer to complete the questionnaire online, it can be found on the current parking consultations page of our website. If you have a QR reader please scan the QR code above to access the web page.

You can also email us at: [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk) if you have any questions. We will discuss the feedback with your ward councillors and will publish results of the review on the website.

Thank you for your time and we look forward to receiving your completed questionnaire as soon as convenient; as your views are important to us.

Yours faithfully

## Bruce Grove Controlled Parking Zone Review

**Q1** To ensure we hear only from residents and businesses within the zone, please write in your road name and property number (numbers will not be published).

**Q2** If you have a resident or business parking permit, please tick the box

Permit holder

**Q3** Has the CPZ helped make parking easier for residents?

Yes

No

**Q4** Which parking problems has the CPZ helped with? (tick all that apply)

Commuters / all day parking

Trade / white vans

Other parking congestion

Multicar households

Shop / business staff

N/A has not helped

Shop customers

Abandoned vehicles

**Q5** Do you think CPZ operating hours should:

Remain the same

Operate in the evenings

Operate for a shorter time

**Q6** Do you think CPZ operating days should:

Remain as they are

Monday-Friday only

All week: Monday-Sunday

**Q7** Given the small number of roads in this CPZ, the council advises combining the zone with Bruce Grove North (BGN). Operating hours will remain as is but BGN also has extended hours on match / event days. Combining the CPZs will remove the boundary restrictions which can limit parking opportunity for residents on the border between the two zones. Please indicate if you support this proposed change - including having extended operating hours on match / event days
