

**FOOTWAY LINKING WATTS CLOSE TO GREENFIELD ROAD – PROHIBITION OF
MOTORCYCLE
THE HARINGEY (PRESCRIBED ROUTES) (NO. *) ORDER 201***

2021-T11

Statement of Reasons

Following a site assessment, motorcycles were observed using the footway on Greenfield Road as a short cut to access Watts Close. This footway is narrow with a large foot fall of pedestrians accessing their properties which are directly adjacent to the footway. It is therefore proposed to introduce a prohibition of motorcycles to prevent a collision and protect the safety of the pedestrians.
