## Haringey Parking Reviews: Alexandra Palace Extension Assessing Demand for Full Consultation

Dear Resident or Business,

Good parking management can help motorists save time and money, while also contributing to more attractive neighbourhoods. Unrestricted parking leads to congestion, obstructions and space being taken up often by non-local users.

The last time we consulted on parking controls in your area was in 2015. At that time there was minimal demand for controls except in Crescent Road and Dagmar Road. Residents have told us that parking conditions have changed since 2015 following the introduction of parking controls in other roads and with more events at Alexandra Palace. We have also received many requests - including a petition - to review parking in the area and we would now like to know if you think it is time for a further consultation about parking controls.

Please have your say by going to [www.haringey.gov.uk/current-parking-consultations](http://www.haringey.gov.uk/current-parking-consultations) and completing our online parking feedback form. If you have a device with a QR reader you can scan the QR code above to access this web page. When you are on the web page you can access the form by clicking on the red button marked Parking Feedback Form.

If you support having a full consultation, please tick 'Yes' in response to Q3 on the form. If you are satisfied with current arrangements and do not think a consultation is needed, then please tick 'No'. The form also has space for comments. **Your views will help us determine the consultation boundary of any future scheme and so it is very important that you respond.** The closing date for receipt of views and comments is 16 May 2017.

If you prefer, you can email us at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk) to have your say on the need, or otherwise, for consultation. Please put Alexandra Palace CPZ in your email header. Whether you use the online form or email, we very much want to hear your views.

If you do not have access to the internet please call 020 8489 1326 to request a freepost feedback card which you can complete and then post to us.

With thanks for your attention, we look forward to hearing your views about parking in Alexandra Palace and whether it would be useful to have a full consultation to help us decide on the need for parking controls.

Yours faithfully,

A handwritten signature in black ink that reads 'Ann Cunningham'.
